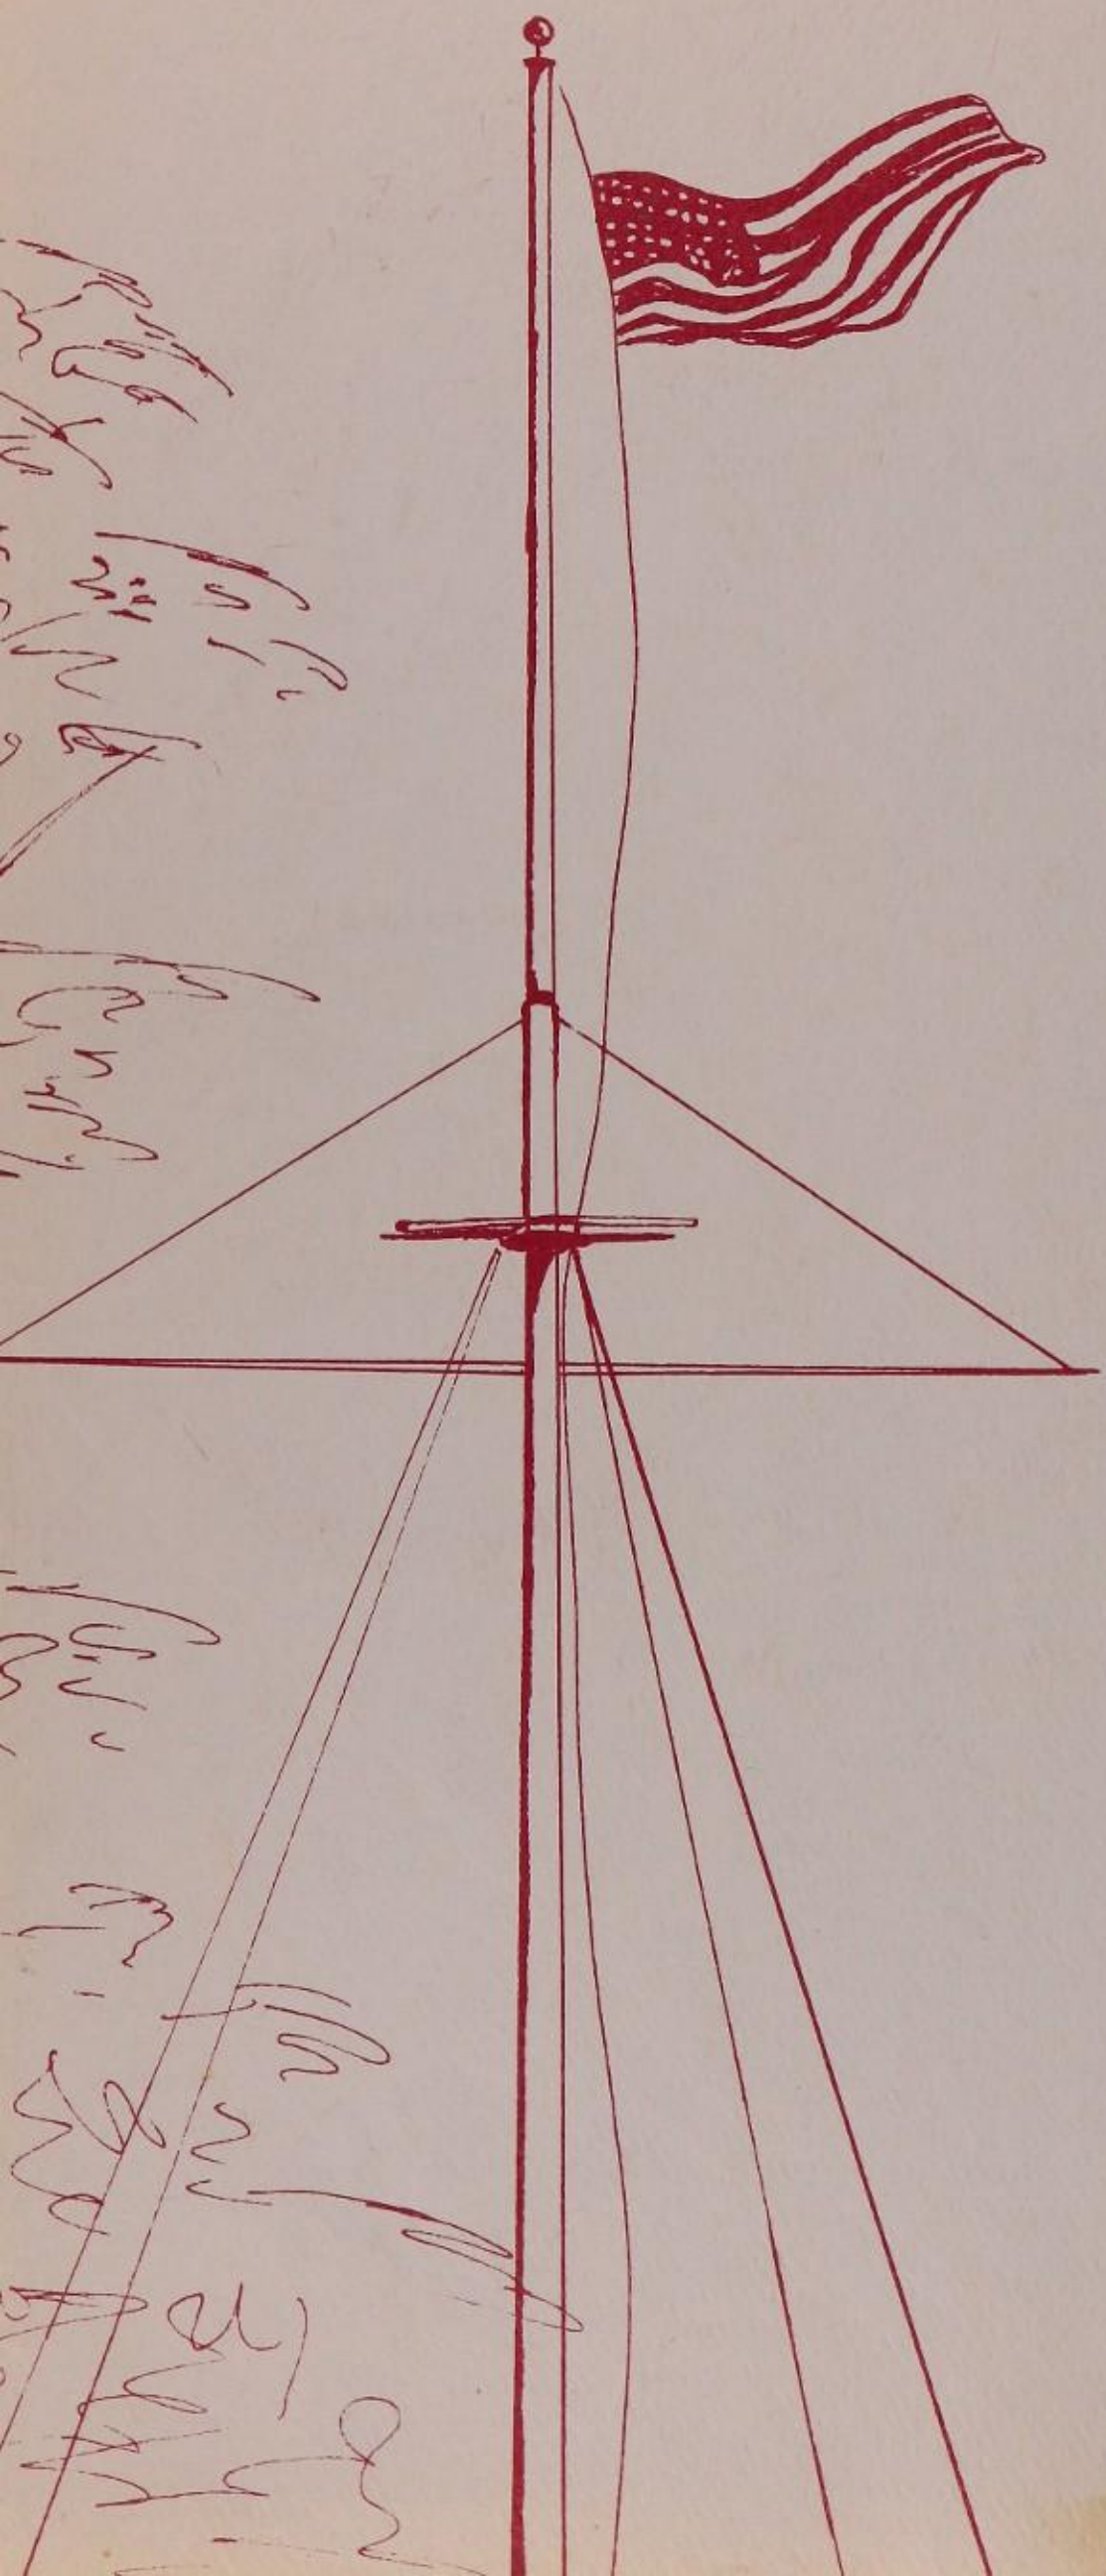
HIGH
1972
MARY ELLEN GIBBONS



Our yearbook derived its name from the actual mast of a ship owned by Sir Thomas Lipton, a British contender in the American Cup Races in the 1920's. Through the efforts of Mr. George H. Hubbell, the mast of this vessel, The Shamrock, was placed in front of what was then Cherry Valley High School, now the Junior High School. For many years, it was used as a flag pole. In the 1950's, it was partially blown down in a hurricane, but then restored. A second storm, however, damaged it beyond repair and it had to be removed.

The original mast is gone, but our yearbook still bears its name. Whenever you open these pages, we hope that you will recall memories of your years here at Garden City High School—may you never forget them.

GARDEN CITY, NEW YORK

PRESENTS THE

1970 MAST

DEDICATION

During the past three years our class has had the good fortune to be guided by a man of great dedication and humor, a dynamic and capable individual who has earned both our deep respect and our warm friendship. His interest in each of us and his willingness to give of his time and talents have made him the force behind our class, and the true "Spirit of '70."

In order to express our gratitude for the invaluable assistance which he has so freely extended to our class throughout our high school career, we, the class of 1970, dedicate this yearbook to a fine teacher and a truly exceptional individual . . .

In Memoriam

Time with a gift of tears,
Grief with a glass that ran.
Pleasure with pain for leaven,
Summer with flowers that fell,
Remembrance fallen from heaven,
And Madness risen from hell,
Strength without hands to smite,
Love that endures for a breath;
Night, the shadow of light,
And Life, the shadow of death.

Graduation from high school provides you with an opportunity to choose what you consider to be the most desirable way to live your life. Self-examination and a careful evaluation of your values, strengths and weaknesses, wants and needs will help you to identify more clearly what you want from life as well as the contributions you hope to make to society. Having set your goals, concentrate on attaining them. A mixture of hard work, dedication and determination will help you to achieve them.

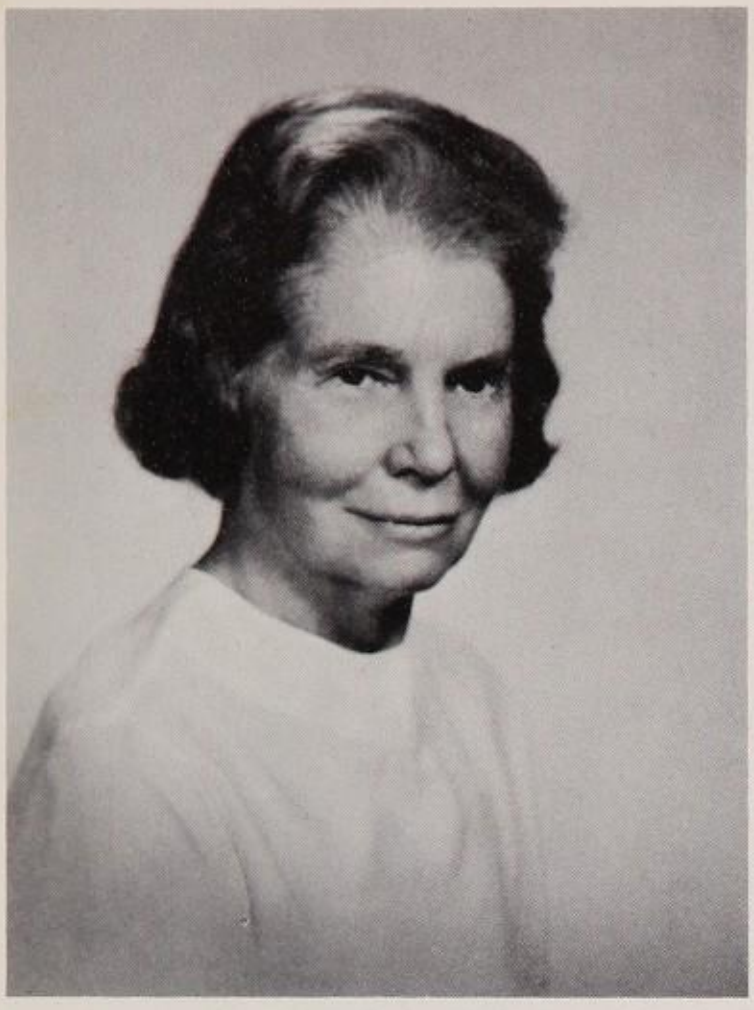
IN APPRECIATION



MARGARET SNYDER

For many years Miss Snyder has been dedicated to the service of our school and its students. Her calm capability as Activity Coordinator and her genuine concern for the welfare of the students have stirred in us a deep respect and a warm esteem for her—feelings which have been shared by countless other students during her long career at Garden City High.

Therefore, for her unfailing devotion to the students and to the school, we wish to formally express our gratitude to . . .

Margaret Snyder

MARGARET McNALLY

Over the past three years, many members of our class have been fortunate enough to come into contact with two of Garden City's finest teachers, Mrs. McNally and Miss Smith. The deep interest which they take in each of their students has earned our lasting friendship and warmest regard. Their firm but just demands impel us to learn; their enthusiasm and humor instill in us the will to learn.

We, the Class of 1970, wish to take this opportunity to express our deep appreciation to two extraordinary ladies . . .

THE CLASS OF 1970— IN REVIEW

Days so long ago, yet so near in our memories

On September 7, 1967, we all felt just a little apprehensive about entering the hallowed halls of Garden City High School for the first time. The year of our graduation—1970—seemed to lie in the far-distant future. Looking back, though, the last three years have passed all too quickly.

As sophomores, we enthusiastically joined clubs, participated in sports and served on committees of various sorts. As tradition has it, the sophomore class sells more than their quota during the annual Magazine Drive. Our class was no exception, selling over $9,000 worth of subscriptions. Our parent-sponsored Class Party, held on March 1, was centered around the theme, "Charlie Brown, We Love You." Music was provided by the "Six Pak," led by our class president, Joel Catania. The following week, we received our long-awaited class rings. The Class of '70 experienced another GC tradition as rings were turned seventy times for luck. April 5 brought with it the Sophomore Dance. "The Best of Both Worlds" provided music for the evening.

It's all in the line of duty

The day the firemen visited GC

Junior year began on September 5, 1968. We enthusiastically attended football games and sock hops, led by Shep Rainie, our Junior class president. With PSAT's over, everyone suddenly began thinking about their future plans. After the March 1 SAT's, we were introduced to the art of filling out college applications. This trend continued well into our senior year. Ten juniors were launched on "The Experiment in International Living" as community ambassadors. The Junior Dance and Class Party were overwhelmingly successful, and Clark Matthews was elected Student Council President in the May elections.

The stage was now set for the most important dance of the year, the Junior Prom. Plans and preparations had been going on weeks ahead of time. The bands had been booked, invitations had been sent out and favors were ready to be given out. Despite the soaring temperatures, many creative and hard-working people decorated the cafeteria, courtyard and halls. For one night, Garden City High School was transformed into a "little Mexico." Crepe paper masks, trees and posters in every imaginable color were found in abundance. The cafeteria became an authentic Mexican village, complete with market place. The Class of '69 was given an unforgettable send-off. Of course, this was the best prom ever held because it was given by the Class of '70!

In September of 1969, we climbed to our exalted places as SENIORS. We took charge of all major clubs, committees and publications, as well as being captains of all athletic teams. Starring roles in both the creation and acting of "Don't Drink the Water" and "Anything Goes" were held by seniors. N.Y. State Regents and National Merit Scholarships were awarded to seniors. Honors worthy of the class itself.

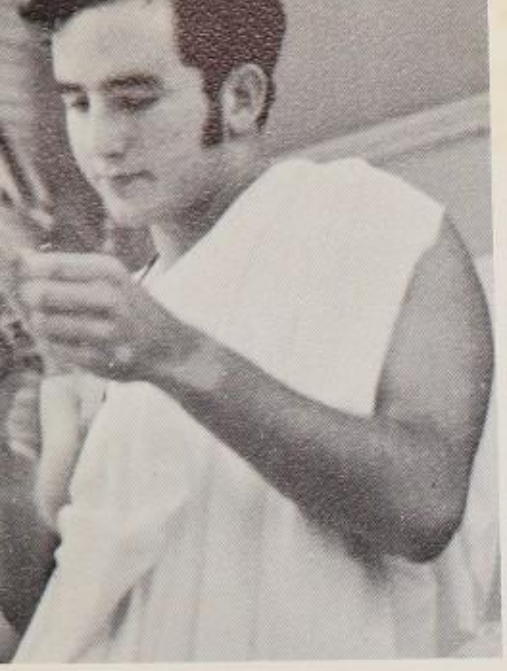
Dede Venables— Homecoming Queen



Seniors are cultural . . .

The Senior Dance, held on September 19, was the opening dance of the school year. The Magazine Drive began shortly after. As usual, we proved ourselves no different than other senior classes—we didn't reach quota and finished last in the school.

October 11 was history for the Garden City football team. The Trojans broke a 19 game winning streak by defeating Mineola 26-12. That game, as well as the victory parades downtown will never be forgotten. The first Homecoming Dance took place during the football season. Dede Venables was crowned Homecoming Queen on the night of October 17. Cathy Stuart, Patty Eggers, Debbie Abbott, Mary Lou Fuerst and Adele Treiber comprised her court. Half-time ceremonies took place the following day.

The Senior Bridge, held on November 6, provided our last major financial contribution to our class treasury. In early December, the halls outside the music wing echoed with the sounds of the choruses and band as they prepared for their concerts. Their performances were, as usual, exceptionally good and the Christmas season was ushered in with much good cheer. The Winter Wonderland was held on the night of December 20. Peggy Dillingham was crowned Snow Queen after a week of suspense. Her court included Sue LeBars, Candy Capilets, Cindy Radocy, Debbie Mori, Chris Sackman and Robin Murback. Soon after, we left for vacation, grateful for the much-needed rest but enthusiastic to greet *our* year, 1970.

January dragged on and eventually ended in the inevitable midterms. The basketball team also played out a sluggish season. January 28 found the beloved *Mast* staff diligently (and at times, chaotically) taking Activity pictures in the auditorium and Meeting Room.

The mid-winter depression began to lift by February. On the 20th, the National Honor Society, in its 35th annual induction, admitted seventy-one new members. Our Friday the 13th Senior Party in March was a roaring success, since this was the last official event that belonged exclusively to our parents and us.

The spirit of GC High

After Easter vacation, that common cry of senioritis seemed to hit an all-time high. The lobby was constantly filled with sleeping seniors who "couldn't take another day." With the initiation of a liberalized lunch policy, seniors headed en masse for Whopper. On April 6, numerous seniors proved our faculty obsolete on Student-Teacher Day. The International Scholarship Dance, the Dance Band Assembly and the Gymnastic Show, which was the culmination of months of planning and rehearsing, all took place during April.

Though this review must end here because a *Mast* deadline hovers over our heads, the best is yet to come. Student Council elections, the Father-Daughter Party and Senior Fag Day will come in May. The climax of these three years will be the Senior Picnic, the issuance of *Mast,* the Prom and finally, Graduation. Our carefree high school days will be over. Each will have their own lingering memories. However, we will live in the present—with the nostalgic past behind us and the optimistic future ahead.

Once again, the Student Council has industriously upheld the basic principles of a democratic governing body. In furthering student participation in the administration of the high school, the Council was led by President Clark Matthews, Vice-President Richard Tedesco, Secretary Phoebe Zaslove and Treasurer Janet Mendes, as well as Parliamentarian Dan Ryan and Sergeant-at-Arms Vinnie Acunto.

Under the careful guidance of Mr. Tegnell and Mr. Dolan, the Council officers worked with the elected homeroom representatives in synthesizing ideas into actual legislation. The accomplishments this year included reform in smoking regulations, revision of the SCB charter and the possibility of an effective Student Court.

ACTIVITY COMMITTEE

Miss Snyder's girls—those conscientious and hard-working members of the Activity Committee. You have undoubtedly been called down to the Activity Office at one time or another in your high school career. Any period of the day, you can see students tackling the enormous amount of paperwork which is entailed in keeping records up-to-date, checking Activity cards and ratings and enforcing the Restrictive Unit Act, which is important to the close correlation of student activities.

First row: J. Casale, J. McEntee, A. Jones, B. Savarese, C. Measell. *Second row:* J. Jaeger, D. Brandin, M. Primrose, J. Weed, M. Carmody, W. Gensel, J. Herrlin, A. Zornberg. *Third row:* K. ART COMMITTEE

Remember the Jack-in-the-Box at Christmastime and the ghosts and goblins of Halloween? Thanks to the sponsorship of Mr. Blakeney and the chairmanship of Suzanne LosKamp, the Art Committee never lets a holiday go by without decorating bulletin boards and showcases throughout the school with originality. Previous art experience and a great amount of interest enable the members of this committee to spiritedly brighten the halls of the school. The Spring Art Show, held in early May, climaxes the year. All in all, the Art Committee should be commended for its extremely fine displays done throughout the year.

ASSEMBLY COMMITTEE

Assembly Committee provides and arranges interesting and informative assemblies for the benefit of the student body. This is a cultural, as well as an entertaining means of presentation. Assemblies this year have included a musical program by the Koko Singers of Kenyon College, interpretive dancing, various panel discussions and movies on American foreign policy and scientific innovations and their effects on the society of the future.

With the exception of standard assemblies, such as Choral and Band assemblies, pep rallies and award programs, all are arranged by Assembly Committee. Any group wishing to conduct an assembly need only contact the Committee and provide information regarding the proposed presentation. It is then scheduled, if approved.

Arrangements for lighting, A.V. equipment and other aids are provided for groups who wish to conduct assemblies. Members usher and maintain order at all assemblies. Chairman of Assembly Committee this year has been Cheryl Mera, and along with Mr. Wojnar as sponsor, has done an excellent job.

AUDIO-VISUAL STAFF

How many times has one of the members of the A.V. staff come to your classroom to splice a tape or repair a projector so you could go on watching that fascinating Bio film? In addition to making these minor repairs, they are assigned the job of distributing films, projectors, slides and other A.V. equipment to the school. They answer the calls of students and teachers alike who need tape recorders, phonographs and projectors. Under the guidance of Mr. Cunningham, much valuable time is given in service to our school.

First row: R. Tedesco, R. Puccia, Mr. Cunningham, J. Galaska, M. Riley. *Second row:* S. Langfelder, J. McAleese, J. Foran, T. O'Conor, R. Lynn.

BAND

Music, dedication, comradeship, and purpose are words which accurately describe the Band. Musically, it performs everything from operatic overtures by Wagner to the folk rock sounds of "Hair."

Each year the Band commits itself to playing at all home football games, three night concerts in the high school, concerts for the Stewart, Stratford and Junior High Schools, and the State-wide music competition in the spring.

Before these performances are given, however, the Band rehearses many unseen, unheard hours during school, after school, and several Tuesday nights. Dedication in rare abundance!

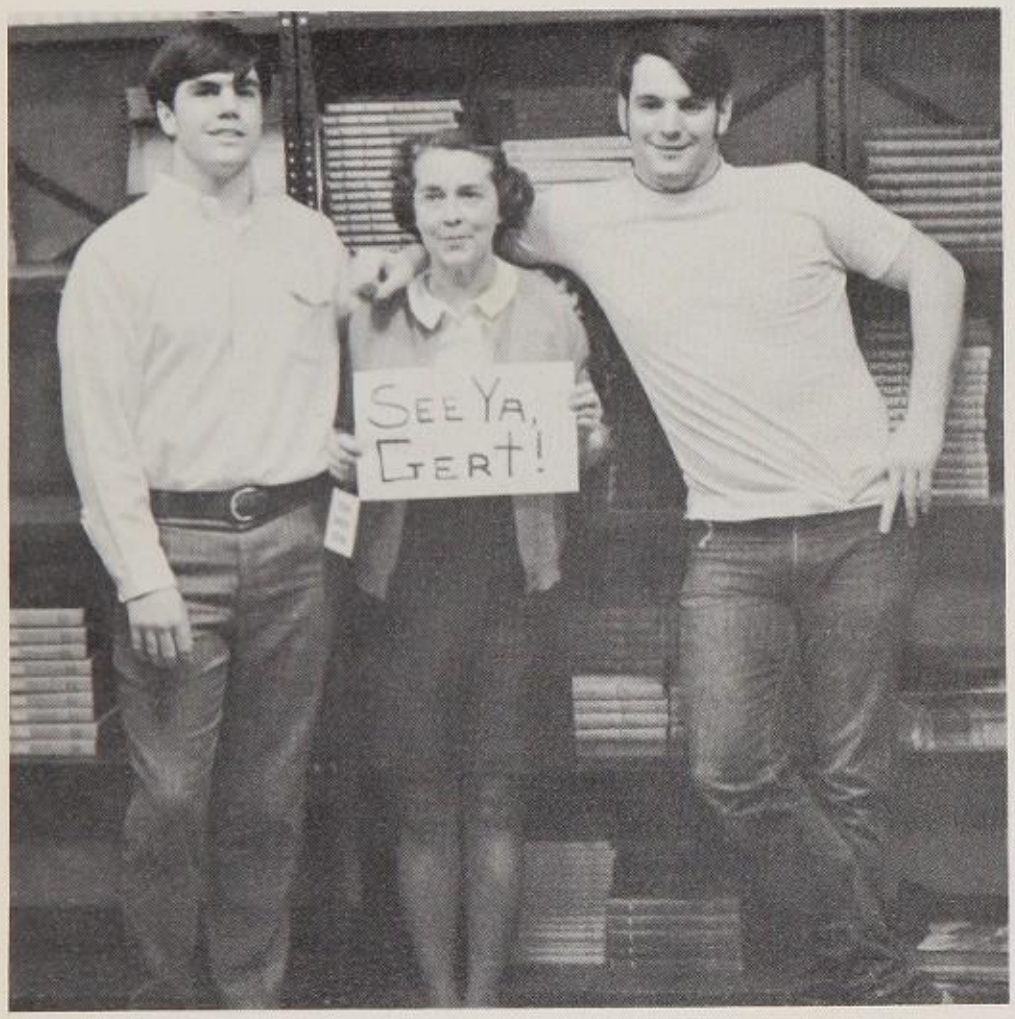
Being in the Band is more than just being one line of small notes in a conductor's condensed score, however. A strong feeling of unity among Band members develops throughout the year. Whether it's attending the seniors' welcoming party for sophomores, or attending a Band dance after a concert, or pulling for a soloist, the Band is united in its desire to do the best job possible: creatively, socially(?), and musically.

A sense of purpose is important to any group trying to be successful. This sense of purpose comes from the students but, it only comes when there is a dedicated, driving force behind them. In the Band's case, the force which pushes them to the top each year comes from it's director, Mr. Chadderdon.

BIOLOGY CLUB

Biology Club gives Garden City's future biologists an opportunity to investigate additional fields that are not available in the classroom curriculum. Advanced biological techniques are also studied. Under the direction of Mr. Richmond, projects included the dissection of crayfish, bullfrogs and fetal pigs.

Left to right: Mr. Richmond, W. Ticho, M. Athans, M. Battaglia, A .Bassani, R. Cornacchia.



Left to right: B. Mahin, Mrs. Finegan, T. Raskopf.

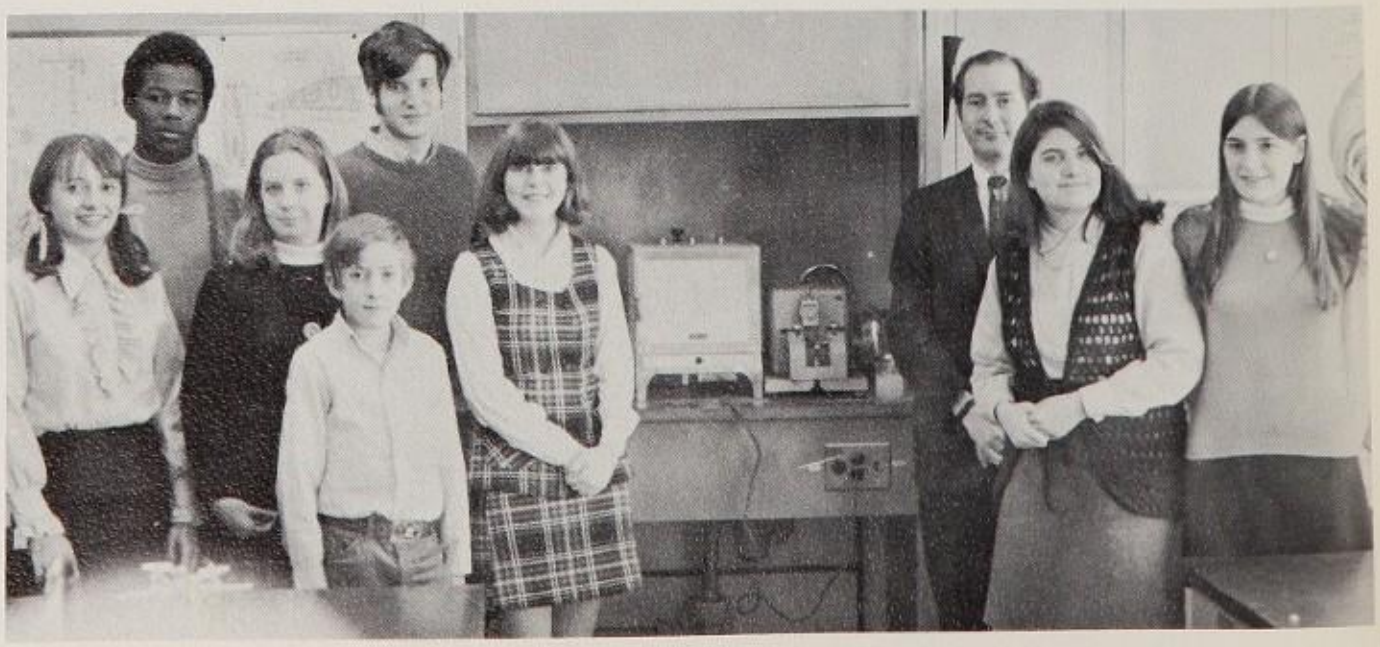
BOOKROOM

Such dedication, such loyalty—Mrs. Finegan's Bookroom Brigade. They are responsible for the distribution of textbooks throughout the year, as well as accounting for them in June. Periodic inventories and spot checks are made.

So watch out how you handle those books from now on, the Boys will be watching!

BOTANY CLUB

The Botany Club, under the sponsorship of Dr. Turkel, provides an opportunity for those students interested in plants to work on individual research projects. The future botanists also spend some time preparing slides of plant specimens and mastering the technique of plant pressing.



Left to right: L. Schermann, J. Callins, J. Weed, K. Derner, B. Buschmann, D. Brandin, Dr. Turkel, B. Egan, C. Laudati.

BRIDGE CLUB

The purpose of the Bridge Club is to better a student's ability in the skills of bridge-playing. This club meets most Wednesday afternoons in the library for a challenging hand of bridge or for instruction from the sponsor, Miss Crabtree. By exchanging bridge knowledge, both the novice and the pro can improve their skill with cards.

Left to right: P. Salvie, M. Puvogel, L. Herbst, B. Buschmann.

First row: E. Youngkin, M. Lane, J. Mendes, D. Ryan, D. DeSalvo. *Second row:* T. Jones, C. Connelly, J. Logan, B. Prinzi, J. Jarvis, Mr. Ryder.

BUDGET COMMITTEE

Although the United States Government may not have one, thanks to the Budget Committee, Garden City High School does. What you ask? A balanced budget, of course! Student Council Treasurer, Janet Mendes and sponsor Mr. Ryder gather with a few students from each grade on Tuesday mornings between February and June. Their decisions in the allotment of school funds are most important to every activity which needs G.O. support. After many meetings and numerous cuts and additions, the completed budget is presented to the Student Council for final approval.

CHAMBER STRINGS

Chamber Strings forms the nucleus of Studio Orchestra. Under the direction of Mr. Chadderton they try to play as much classical music as time permits. Since many composers wrote music for a few strings, the group is not limited by their small size. Chamber Strings has done a commendable job of presenting an uncommon type of music to the student body.

Left to right: D. Timmons, J. Pohl, J. Levinson, M. Olthuis, K. Jones, S. Stuart, J. Stenard, P. Munkenbeck, S. Wallach.

At Piano: Miss Lockridge. *Kneeling:* C. Jenks, B. Barmore, E. Monaco, S. Klepper, M. Pansini. *Standing:* C. Rippe, C. Reinig, L. Collier, K. Scott, J. Sherry, P. Fries, J. Busada, C. Sackman, L. Anderson, J. Schueler.

CELESTONES

Junior and senior girls with musical ability comprise Celestones, the most selective girls singing group in the high school. Under the direction of President Pam Fries, Vice-President Beryl Barmore, Secretary-Treasurer Linda Anderson, Librarian Katie Scott and Miss Lydia Lockridge, the Celestones, as usual, gave outstanding performances in each choral concert. The group's main focus is three part singing and vocal improvisation.

An excursion to Chicago, where the girls appeared before the National Music Educators Conference, highlighted the year for them. They performed a piece specially written for them and arranged by Dr. Bertram Konowitz and Mr. Orlando DiGirolomo. It proved to be an extraordinary and exciting experience for those who participated.

CHANTECLER

It has been the impossible task of the talented and dedicated *Chantecler* staff under the leadership of Editor Debbie Clapp and sponsor Mr. Chanover, to select the cream of the crop from the numerous articles that have been pouring into Room 163 day after day.

After months of ceaseless labor, the ultimate in literary creativity—*Chantecler* 1970—has emerged. At times, the work seemed insurmountable but there was never much doubt that the experienced staff would pull through.

It can be said that *Chantecler* 1970 was an unforgettable experience.

Seated: M. Walsh, N. Alexander, D. Clapp, C. Hall, C. MacLeod. *Standing:* C. Swartz, B. Stacom, S. Curtis, H. Cole, Mr. Chanover, D. Cordes, B. Smithson, E. Awe, E. Hamill, C. Caddy.

CHEF'S CLUB

First row: J. Oakley, M. Maguire, B. Brady, G. Kenny. *Second row:* T. Raskopf, J. Crosby, B. Kelly, V. Biggane, Mrs. Niedbalski, L. Jones, S. Sheets, C. Cunningham. *Third row:* J. Foran, A. Buchanan, B. Douglas, D. Moore, P. Russo, J. McNerney, L. Kind, G. Tancreto, C. Otto, B. Scully, B. Strampfer, M. Rix, P. Delle, J. Billmeier, R. Nicosia, G. Koch.

Under the courageous sponsorship of Mrs. Niedbalski, the Chef's Club meets every Tuesday afternoon. Different from any other activity in the high school, interested senior boys learn the whole process involved in planning and preparing simple but appetizing foods and meals. So, with the clatter of pots and pans and general howls of delight and amazement, the Chef's Club successfully (?) produces their final dinner of the year.

CHESS CLUB

Every Thursday afternoon, Garden City students compete against each other in the challenging game of chess. The purpose of this organization, however, is not only competition, but to give students an opportunity to learn the game and perfect their skills. The highlight of the year is the team chess tournament which determines the Garden City High School chess champion. Membership is open to any student who has an interest in chess and desires to play the game with others.

COLOR GUARD

The girls out on the football field during half-time shows bearing the flags of our country and of our school are members of the Color Guard. Co-Captains Sue Christy and Kim Clifford coordinate their activities with those of the Marching Band. These girls are also ushers for band concerts throughout the year.

CONCERT CHOIR

The amazing Concert Choir has again shown the school that a group of two hundred students can function smoothly, as a single unit. At each performance, be it under the direction of Miss Lockridge or Dr. Diehl, all audiences are reminded that music has many faces and things to say. As the most select chorus in school, members of "Choir" are all endowed with musical talent.

No matter if the performance is at the Rotary Club Christmas meeting, Ray Heatherton's Breakfast Club or a school concert, Concert Choir is sure to give an excellent performance. President Vinnie Acunto, Vice President Kerry O'Donohue, Secretary Audrey VomLehn, Treasurer Vicki Alexander and Historian Patsy Donovan, together with the section leaders, have aided the directors in the mechanics involved in running an organization of this size.

ECHO

Those moans, groans, and clicking typewriters heard coming from the Activity office could only mean that another ECHO deadline is near! As Garden City High School's newspaper, the purpose of the ECHO is to reach and interest all members of the student body through a variety of articles. This year began with an annotated map of the school in the September issue, and such articles as a student poll on presidential policies and an interview with a former editor-in-chief, now a movie star, were included in subsequent issues. The most important project of the year was the publication of the graduation issue, which traditionally appears on the last day of school.

Senior editors Linda Graefing, Joanne O'Hare, Rod McGuire, Cindy Jenks and Mary Kilbourn found that ECHO is more than just writing. Paste-ups, trips to Dunkin' Donut, and midnight rides to Bethpage are some of the many strenuous activities involved in the production of this important means of communication.

ELECTION COMMITTEE

The Election Committee, sponsored by Mrs. Starkey, supervises the Student Council election in May. This committee consists of approximately sixty members representing a cross-section of the sophomore, junior and senior classes. These hardworking members plan the election, review and edit speeches and manage the voting booths during the actual election. This year, the officers hope to utilize past suggestions for improving the effectiveness of this committee.

FESTIVALAIRES

Festivalaires, under their talented student conductor, Kerry "O'D"onohue, gave outstanding performances throughout the year. Attempts have been made at musical innovation and experimentation. Members can expound their frustrations in the realm of music. Their well-trained voices can be heard at the annual Christmas and Spring concerts.

Talent + Enthusiasm = Festivalaires!

FIESTA

Once again, the annual Spanish literary magazine, *Fiesta*, was published under the direction of Mr. Genna. Any student taking Spanish on any level is eligible to contribute articles, compositions, jokes and puzzles. Entertainment, as well as experience in reading and understanding the Spanish language, is a primary aim of those involved in *Fiesta's* publication.

FOLKAIRES

Enthusiasm and a desire to sing and perform music which is folk-oriented characterizes each and every member of Folkaires. This unique and talented singing group has become very popular; consequently, only members of Concert Choir will be eligible to audition next year. As a student organized and directed group, Folkaires is to be commended for its continuous success.

FOLKSONG CLUB

The walls of the Meeting Room echo the strains of familiar and some not-so-familiar folk songs when Folksong Club meets on alternate Friday afternoons. Accompanied by guitars, tambourines and an occasional harmonica, members are able to listen and perform. Informality is the order of the day.

The Folksong Assembly held on April 10 was the culmination of many hours of practice and rehearsal. Under the direction of Derek Reicherter and Miss Kendall, Folksong Club has enjoyed a highly successful year.

First row: K. Polowchena, K. Kologe, M. Eisen, N. Alexander, D. Reicherter, D. Olthuis, L. Dieckman, K. Meyer. *Second row:* R. Schnappauf, M. Hermanson, P. Gray, C. Rippe, J. Sherry, J. Sewell, A. FOREIGN POLICY FORUM

In its twenty-second year of existence, the Foreign Policy Forum continues to provide an outlet for students to view their ideas and opinions on foreign policy. Members may vote after the first meeting but must attend more than half of the meetings thereafter to maintain this status. The Forum affiliates with organizations from other schools in a model U.N. In both 1966 and 1968, they were honored as "Best Delegation." Their sponsor is Mr. Melton.

FRENCH CLUB

"Le Cercle Français", one of our most popular organizations, is designed to promote French culture—the language as well as the customs. Under the direction of Miss McAteer and the leadership of President Terry McGlone, members are introduced to France through slides, guest speakers and field trips.

In order to interest more students in the French Club, plans are being made to arrange more activities in cooperation with the other language clubs. The annual French dinner is the grand finale of the year. Suitable for even the most discriminating French connoisseur, the banquet is made possible only through the efforts of each member.

FUTURE NURSES OF AMERICA

The FNA gives those students interested in a nursing career the opportunity to meet with others considering nursing as a profession. All are welcome to join the Monday meetings in Room 123. The club has an active membership of approximately thirty students of all grades, under the sponsorship of Mrs. Bernstein, the school nurse. Guests from various nursing schools are invited to come and speak regarding this worthwhile profession. Several hospital field trips and a Christmas charity collection highlighted this year.

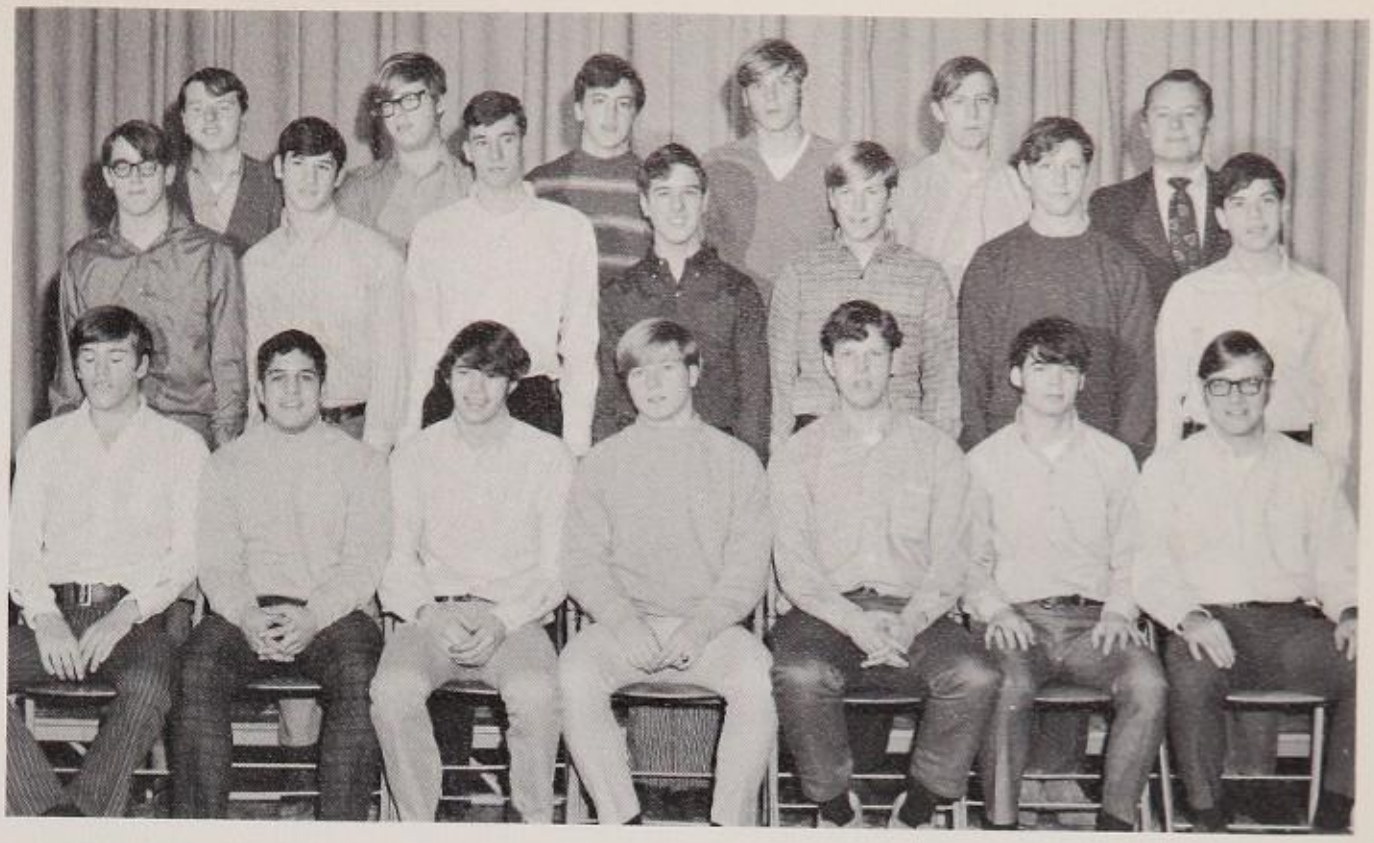
FUTURE TEACHERS OF AMERICA

Future Teachers of America is just that—an organization for anyone considering the field of education as a career. Members become familiar with all aspects of teaching and includes necessary training responsibility. Opportunities to be teacher aides for various faculty members in the high school are available, as well as a student-aide program carried on in the elementary schools.

Meetings offer films, guest speakers and discussions on up-to-the-minute teaching methods. Under the dynamic sponsorship of Mrs. Schnaubelt, increased enthusiasm for the teaching profession has certainly been generated to each and every member.

G.C. GENTS

Unusual? Positively. Talented? Definitely. All-Male? Most Certainly! This is the only way to describe our own G.C. Gents. Under the fine direction of Dr. Diehl, this group meets twice a week to demonstrate their musical abilities. Their unique performances have come to be greatly anticipated at each choral concert.



First row: M. Lane, A. Cavalcante, L. Jankowski, B. Voelker, B. Scully, D. Ryan, B. Prinzi. *Second row:* B. Parks, S. Mangia, T. Mulroney, F. Ingegno, J. Peel, P. Scully, W. Taiani. *Third row:* T. Harlow, R. Blake, R. McDonough, G. Brew, J. Cahill, Dr. Diehl.

GEDANKEN DER JUGEND

Gedanken der Jugend or Thoughts of Youth, is the German literary magazine written, illustrated, and edited by those students studying German. This publication reflects not only the ideals and ideas of today's youth, but demonstrates the students' proficiency in the German language. With the direction of Frau Dubsky, contributors increase their knowledge of German as well as European art and literature.

Under the outstanding leadership of Editor Bill Buschmann, *Gedanken der Jugend* received a first place rating from the Columbia Press Association.

GERMAN CLUB

Der Deutsche Verein, or German Club, under the direction of Mrs. Dubsky, is one of the wildest after-school activities. The club has approximately sixty members who speak German and three hundred and eighty who don't! Meetings are held once a month in the meeting room, except for the Christmas meeting held in Room 100 and the Spring Festival or Frülingsfeier held in the auditorium.

The Frülingsfeier is the highlight of the calendar. Usually, some scenes of a well-known German play are produced, as well as German folk dancing, music soloists, and group singing.

So, if sometime when you are walking down the hall and you hear a voice behind you say, "Hey, you, shhh, du bist ein Freiwilliger!", resign yourself to the fact that you have just volunteered for the German Club!

GIRLS' CHORUS

An interest in singing and performing with other girls is the only requirement for membership in Girls' Chorus. Under the direction of Dr. Diehl, the girls can be found working diligently in Room 100 daily.

The group, composed of sophomores, juniors and seniors, functions to improve their musical ability and develop musical understandings. The girls are able to display the products of their continuous efforts at the choral concerts.

Seated: S. Curtis, J. Weitzner, L. Latham, P. Gilligan. *Standing:* Mrs. Watts.

HANDBOOK COMMITTEE

As a sophomore, one is usually quite confused by school procedure and not at all acquainted with the many extracurricular activities. Thanks to the Handbook Committee and its sponsor, Mrs. Watts, the *Trojan Guide* is revised and the school calendar is printed and distributed—which are both helpful aides in guiding not only the new students, but also the old timers, through the school year.

HONOR SOCIETY

The Garden City Chapter of the National Honor Society is comprised of students from the junior and senior classes who have shown, in the opinion of a student-faculty board, outstanding academic achievement, service, character and leadership. An induction ceremony, held each February, is conducted by present members. After the induction, a reception is held for the new inductees, their parents and the faculty.

Although the highlight of each season is the induction, the Honor Society has much to do with other academic honors in the high school. The Honor Roll board and the letters sent out each quarter are sent by the Honor Society members, under the direction of Honor Roll Chairman Beryl Barmore and Honor Rating Chairman Terry McGlone. A tutoring service is provided for any student who may find this service desirable. This program is run by Vice-President Katie Scott.

Under the able leadership of President Peter Forshay, Secretary Cathy Stuart and Treasurer Shep Rainie, the Honor Society has completed a very successful year. Joint meetings with the Honor Societies of Mineola and Herricks have provided the Garden City Chapter with new ideas for future improvements.

LIBRARY COMMITTEE

Left to right: M. Cohn, P. McDonough, D. Milot, Mrs. Thomas, B. Egan, J. Schuster.

Interested students, under the sponsorship of Mrs. Thomas, comprise the Library Committee. It is one of the many standing committees of the Student Council. The group acts as a liaison between the student body and the library, investigating questions and conducting surveys concerning the library. Their activities are undertaken in cooperation with the Council.

LIBRARY STAFF

Without the valuable aid of Mrs. Marcial's Library Staff, the student body would find it difficult to use the facilities of our school library. The committee, with a membership of forty students representing all three grades, aids the librarians behind the main desk by distributing magazines and sorting books. In this way, members are also able to learn the finer points of library technique.

LOST AND FOUND

Every year lost items find themselves in the high school's Lost and Found. Members help to sort the articles and do all that is possible to see that they are returned. This includes announcements placed in the daily bulletin and displays of the items in the Activity Office. This year's members did a fine job of helping students regain their lost possessions, under the efficient supervision of Miss Snyder.

First row: N. Ross, B. Barmore, J. Powel, J. Barr. *Second row:* K. Scott, Mr. Decker, A. Treiber, J. Hebrank, C. Stuart, P. Zaslove.

MAGAZINE DRIVE

Under the fine direction of Mr. Gene Decker and Mr. C. A. McCleery of the Quality School Plan, the Magazine Drive succeeded once more in replenishing funds to class treasuries.

While everyone was readjusting to the rigors of school life in early September, seniors Adele Treiber, Chairman, Cathy Stuart, Accountant, Katie Scott, Prize Chairman, Beryl Barmore, Publicity Chairman and Jane Hebrank, Homeroom Chairman, attempted the difficult job of encouraging classes to sell quota.

The first apprentices, chosen from the junior class, were initiated into the work of the drive by learning the secrets of the trade, being chief errand-runners and supplying constant nourishment to the ever-famished seniors.

Commissions and profits from the drive contribute mostly to needy class treasuries, as well as the Student Council and the International Student Exchange. In accordance with Garden City tradition, sophomores once again led all sales, followed by the juniors and last, but not least, the seniors, managing to pull a close third.

MAJORETTES

First row: L. Capello, D. Schipp. *Second row:* L. Holzmaier, D. Gorin, V. Davis, J. Schuster, N. Johnson, C. Kottenbach, L. Moyer, J. Waag, D. Frost.

A small band of faithful and enthusiastic majorettes could be found in Room 104 third period each day feverishly practicing their skills of twirling. Under the head twirlers, Dorothea Schipp and Linda Capello, the majorettes always performed an excellent routine whether it be for a football half-time show, a concert or the Memorial Day parade.

MAN LAI KING COMMITTEE

Seated: K. Kologe, M. Eisen, M. Massaglia. *Standing:* R. O'Hare, J. McEntee.

This small but important Student Council committee is responsible for allocating funds to our foster daughter, Man Lai King. Representing the entire student body, they send money to her to cover the costs of her education, clothing and food needs. Letters are received periodically telling of her progress and accomplishments.

Before the curtain completely closes and the house is emptied, here is the Masquers cast of the '69-'70 season:

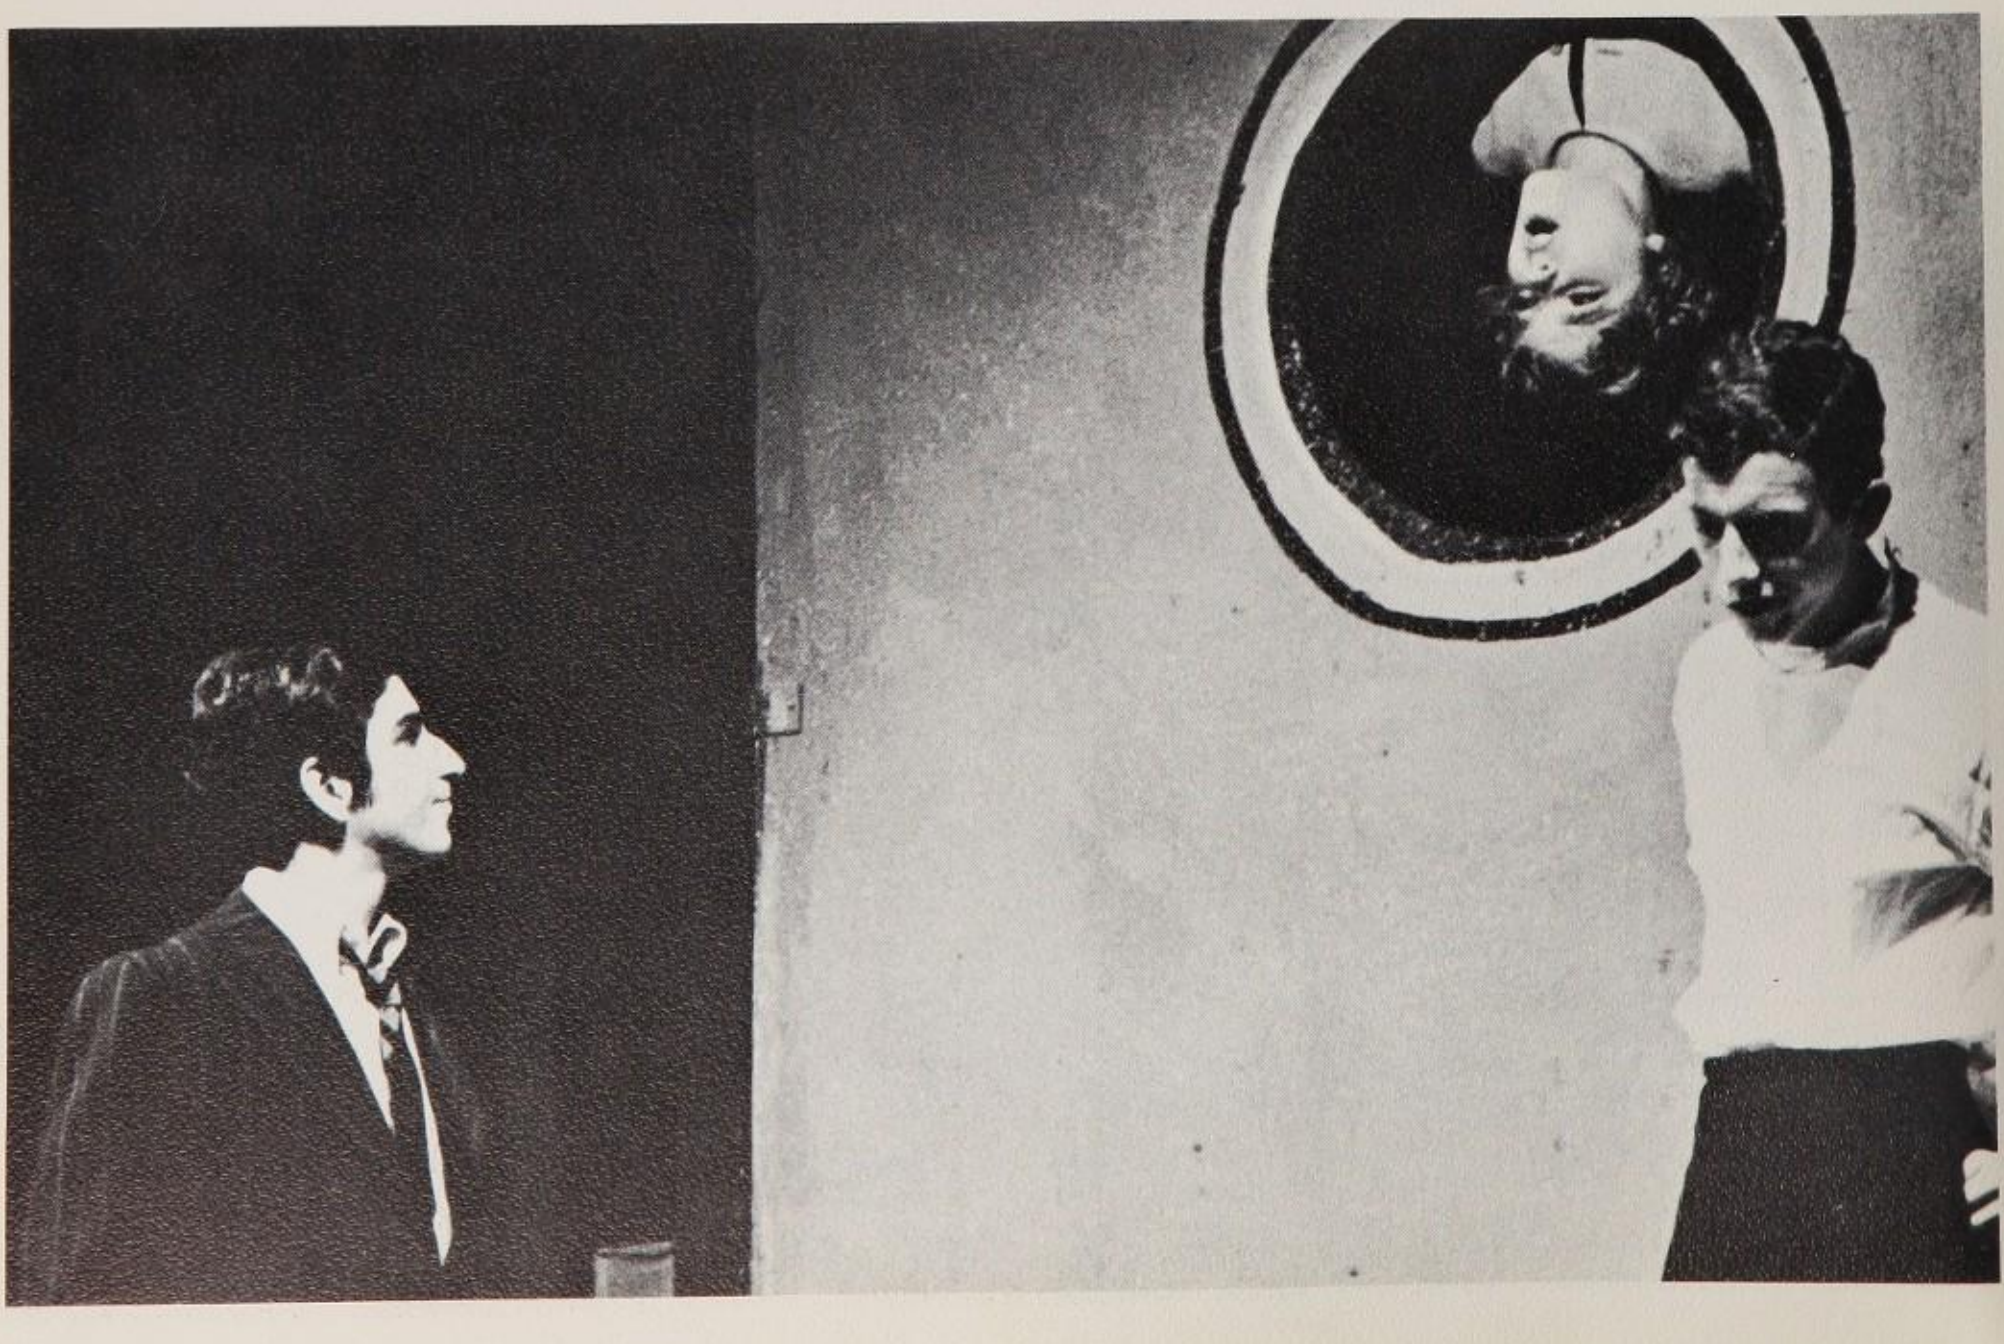
President: Mal Duffy
Vice-President: Lynda Trotta
Secretary: Perida Miller
Treasurer: Jim Duggan
Member-at-Large: Greg Brown
Sergeant-at-Arms: Rich Tedesco
Stagecraft: Mary Blanchard and Dave Koenig
Costumes: Donna Zepczyk
Props: Jane Monaghan
Lighting: Pat Torney
Make-up: Dan Ryan
Publicity: Cathy O'Donnell
House: Kim Clifford
Sponsors: Mrs. Spiers, Mrs. Asher and Miss Castellana

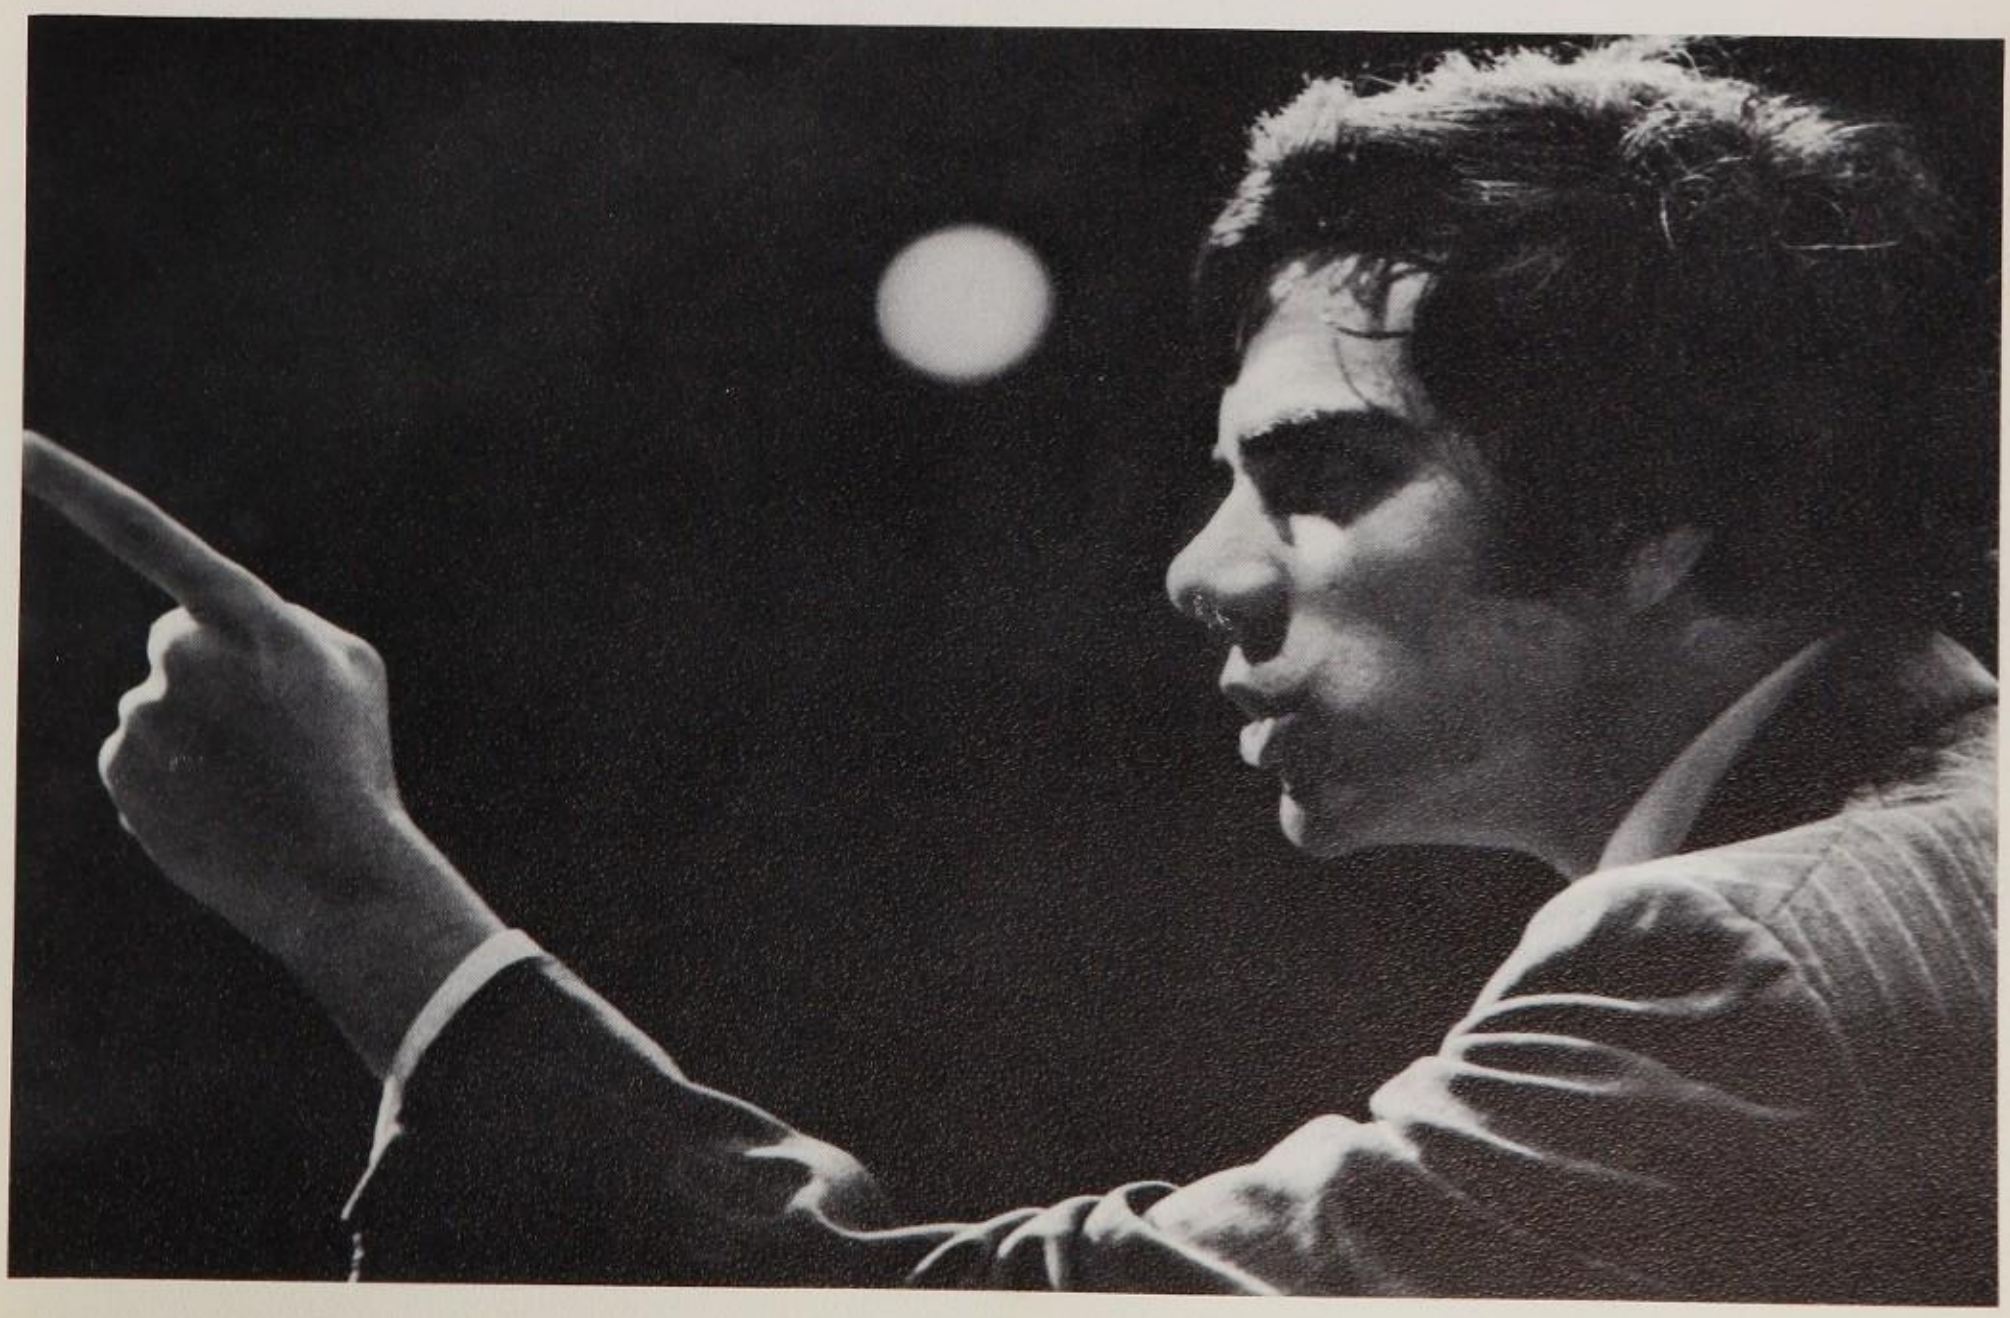
MASQUERS

The curtain is closing on another season of Masquers presentations. The club enjoyed a very active year which centered around the production of three shows; *Don't Drink the Water* in the fall, *Ice Wolf* in the winter, and *Anything Goes* in the spring. *Ice Wolf* was significant in that it was put together by the apprentice members of the club for presentation at the elementary schools.

The spirit that is Masquers can look back on a year filled with amusing, tragic, and satisfying events. Who will forget the time bomb caught in the window, or the accidental breaking of the couch loaned by Flint and Horner during *Don't Drink the Water.* (Certainly not Mr. Flint and Horner.) However, it is not only the events on stage that are unforgettable. There is always the joy of a well-made flat, the discovery of that "perfect" prop, the frustrations of that one light that won't focus, Saturdays in the Green Room (did you feel the presence of the legendary ghost?), and the satisfaction of a house filled with a receptive audience.

Masquers is many things to many people; it is truly a club that gives to its member what (and more than) they put into it. There is a place for everyone in Masquers whether it is as a star performer or a committee member. This year has been a rewarding one for all who have participated. Members can be proud of the club's accomplishments and contributions to the school and to the community.





MATHLETES

This team of interested math students represent Garden City in inter-scholastic competition. Meets are held once a month. Participants are given difficult problems in geometry, algebra and number theory and must work independently in a given amount of time. Under the direction of Mr. Biviano, Garden City has placed higher in the league standings than in any previous year. Out of the sixty-two schools that comprise the Nassau County Math League, Garden City placed ninth.

First row: R. Doucette, H. Cole, B. Ringelstein. *Second row:* R. Lim, P. Vanderbilt, R. McGuire, D. Senft, D. Vanderbilt, W. Fleri.

Left to right: Mr. Clark, R. Doucette, D. Vanderbilt, J. Klop, D. Senft, N. Ross, P. Vanderbilt, R. McGuire, S. Langfelder, W. Fleri.

MATH SEMINAR

The Math Seminar is a group of about ten students who meet once a week to discuss and explore topics in mathematics not normally considered in the classroom. Items of both practical and recreational application are presented by the students themselves, who must be prepared to face criticism by other members. There are no qualifications for membership other than interest and achievement in the field of mathematics.

First row: H. Cole, D. Cordes. *Second row:* T. Maher, R. Koch, J. Mavricos, J. Kasold, M. Helmus, R. Doremus, A. Krecko, M. Metcalf.

MATH TUTORS

In case Math isn't your strongest subject, Math Aides are willing to give their time to help you. Math Aides, numbering about fifty students who have an interest in mathematics and also an ability to teach others, often deepen their own knowledge while tutoring others. Instruction takes place on Monday, Tuesday and Thursday afternoons in Room 173. Like few people today, these students charge nothing for their services. Their reward is the personal satisfaction found in helping other people.

MIXED CHORUS

Enthusiasm is one of the outstanding characteristics of the members of Mixed Chorus. Their main goal is to learn the most important fundamentals of music and choral presentation. Development of sight-reading proficiency is focused upon. Sixth period finds them in Room 100 working under the direction of Miss Lockridge. Any student interested in learning musical techniques is welcome to join.

First row: J. Chase, B. Feuerherd, P. Brennan, L. Hutchison, L. Earing, S. Wright, P. Cuddy, L. Stair, S. Meaney, B. Desch, C. Baker, B. Horstmann, K. McGrath, R. Brew, K. Smith, J. McDonald, M. Kroessler, C. Call, P. Buck, G. Driscoll, D. Erdman.

GUIDANCE AND NURSES AIDES

The members of the office aide staffs contribute immeasurably to the precision maintenance of the school. Participating students volunteer to give up their free periods to assist in the Guidance Office, Nurses Office and Activity Office. Errands are run for the secretaries, school records are filed and other general clerical duties are carried out by these dependable girls.

First row: A. Jones, E. Ring, D. Mann, J. Brashears, D. Stigliano, M. Molloy. *Second row:* W. Gensel, M. L. Findley, J. Arena, N. Ryan, B. Rivers, E. Steinert, B. Beekman. *Third row:* K. Gordon, C. Russo, M. Primrose, M. Carmody, J. Cameron, S. Davidson, L. Haedrich, C. Sweeney, M. A. Vecchio, C. Paccione, C. Wright, L. Schmeelk.

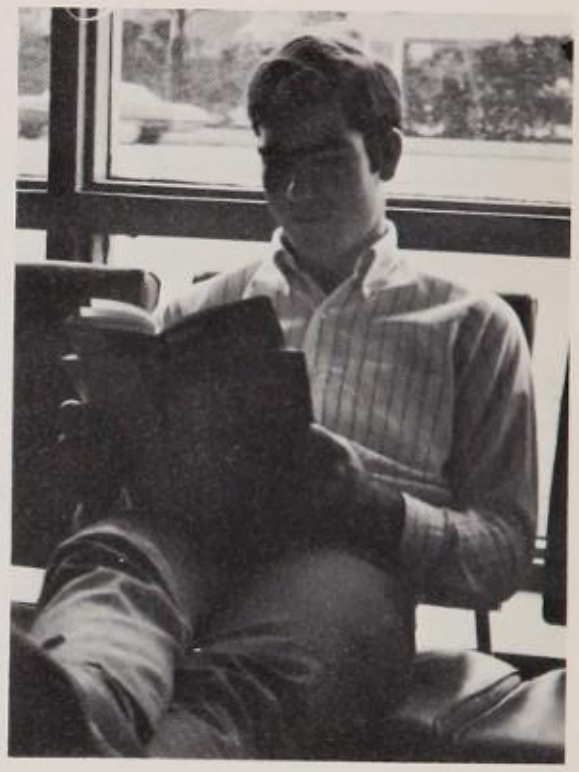
First row: E. Dougherty, M. Barber, L. Bryon, J. Herbst, S. Klepper, L. Duba, S. Max, E. Hamill. *Second row:* L. Scherman, D. Alexander, N. Doscher, J. McEntee, K. Jones, S. Grandt, P. Curcio, M. Puvogel, K. McParland.



CELESTONES

OFFSET CLUB

Printing is their game; Offset is their name. Though short on recognition, the Offset Club is big in production. The responsibility of printing programs and general literature related to activities rests in their hands. The staff, under the direction of Mr. Chiavoli, works constantly to stay ahead of their publication deadlines. Whether printing programs for musical performances, Masquers' productions or the Honor Society Induction, these boys have done a remarkable job in service to the student body.

Left to right: J. Cadigan, J. Foran, R. Ashcroft.

Left to right: R. Tedesco, J. Wallick, S. McLoughlin, G. Browne, R. McGuire.

ORGAN CLUB

Under the sponsorship of Miss Lockridge and President Rod McGuire, Organ Club has provided us with music at assemblies and concerts. In addition, members are taught the techniques of the organ—both operation and maintenance. At the conclusion of the year, those who have shown outstanding proficiency are chosen to play at graduation.

ORIENTATION COMMITTEE

Any new student entering Garden City High for the first time is bound to feel a little strange. Thanks to the members of Orientation Committee, however, new students are introduced to the daily routine of a school day and familiarized with the many and varied extracurricular activities. New friends can be made through student guides. Under the leadership of Cindy Baker and Mr. Benosky, representatives from all grades are always willing to extend a friendly welcome to any newcomer.

Left to right: F. Olsen, G. Sammon, J. Schweitzer, C. Baker, Mr. Benosky.

PHOTOGRAPHY CLUB

Those interested in learning how to take better pictures and how to develop and print their own negatives find their opportunity awaiting them in the Photo Club. The development of photography as an art form is of primary interest to the group. From the cavernous depths of the Photo Room come creative and imaginative photos, many of which are displayed on bulletin boards as well as within the pages of *Inkspots.*

First row: E. Schmidt, P. Davidson, J. DeCarlo, J. Brashears, K. Fitzgerald, W. Fitzpatrick.
Second row: A. Zornberg, M. Meisinger, D. Ripkin, D. Theoharides, R. O'Neill.

PHYSICS AND RADIO CLUB

Left to right: Mr. Badger, T. Polignani, A. Stiles, W. Mather, R. Tedesco.

Contrary to the name of the club, the purpose of the Physics and Radio Club is not purely physics, electronics or radio operation. Rather, the weekly meetings are held to allow students to use the physics lab for project work of their own choosing. Yearly projects range from growing crystals to building an actual radio. The projects rarely, if ever, have anything to do with labs done during class time. Work is done under the direction of Mr. Badger.

Left to right: M. Duffy, M. Kilbourn, B. Hamilton, P. Salvie, M. Blanchard, L. Graefing, J. O'Hare, Mrs. Reppert, B. Buschmann.

QUILL AND SCROLL SOCIETY

Outstanding staff members of *Echo, Inkspots, Mast* and the various language publications are recognized for their literary contributions through induction into the Quill and Scroll Society. Since this is the International Honor Society for high school journalists, membership is a distinct honor open to those meeting the basic requirements established by the Society. Under the leadership of President Bill Hamilton, Vice President Joanne O'Hare, Secretary-Treasurer Mal Duffy and sponsor, Mrs. Reppert, meetings have been held to plan the annual induction ceremony.

First row: A. Bassani, D. Kiernan, J. Arena, A. Zornberg, J. Walsh, R. Lallas, C. Culley. *Second row:* M. Saeli, J. Brashears, B. Johnson, D. Kosowski, M. Boyajian, M. Murphy, C. Dalton, D. Rix, C. RED CROSS

The Red Cross is certainly one of the most involved and dedicated charity organizations functioning in our world today. Each year, under the direction of Mrs. Bauer, Garden City High School conducts a drive to support this worthy cause. Chairmen from each homeroom supervise the collection of students' nickels, dimes and quarters. In order to organize the drive and make necessary arrangements, Red Cross meets in Room 170 after school. As a result of our drive, and many like it throughout the country, the National Red Cross is able to continue its ever-necessary work around the world.

SENIOR EXECUTIVE BOARD

First row: J. Mulroney, T. McGlone, L. Harder, V. Alexander, M. Boyajian. *Second row:* D. Giannasio, P. Eggers, B. Barmore, Mr. Bennetter, J. Hebrank, L. Anderson, B. Fex.

SOCIAL COMMITTEE

The success of the Winter Wonderland Ball is due to the endless work by members of the Social Committee. Under the direction of Sandy Wright, Jan Jaeger, Debbie Abbott and Mary Ann Neilson, many committees were formed to begin the Winter Wonderland creative experience. In a matter of hours, the cafeteria was transformed into a winter carnival, complete with wreaths and decorated Christmas trees.

Mr. McCabe had the unique experience of not only sponsoring the group, but supervising the nomination and election of Snow Queen. December is the busiest time for the committee, but due to the hard work and dedication of all, the Ball was enjoyed by everyone present.

First row: L. Colahan, K. Oravec, S. Wright, D. Giannasio, P. Munkenbeck, P. Donovan, M. A. Neilson, D. Abbott, J. Jaeger, L. Harder, A. Derounian. *Second row:* M. Digan, E. Macfarlane, A. SOPHOMORE EXECUTIVE BOARD

SPANISH CLUB

What club stimulates interest in the Hispañya culture through group activities? The Spanish club, of course! Under the direction of Mr. Sonander, meetings are held once a month. Although most of its forty members attend regular Spanish classes, interest in the Spanish culture is the only requirement for membership.

Projects for the year included a theatre trip and the presentation of a Spanish play. In keeping with tradition, the Spanish dinner highlighted the year.

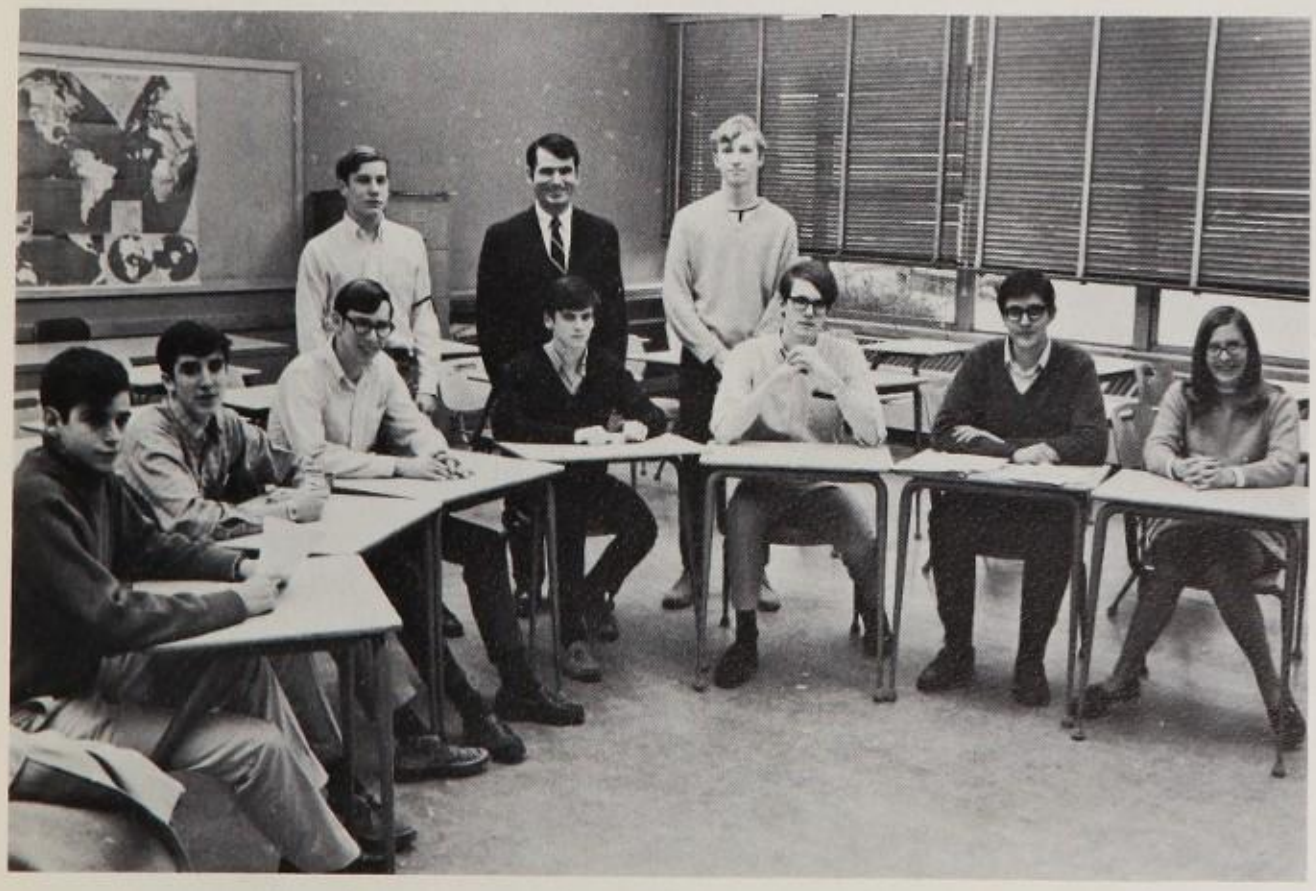
First row: L. Collier, S. Stuart, J. Pohl, K. O'Donohue, V. Guinan, C. MacIntosh, M. Gibbons, E. Ring, D. Mahon, S. Keener. *Second row:* E. Steinert, T. Arcati, C. Russo, C. Walsh, L. Duba, B. James, K. Polowchena, J. Keener, L. Garcia. *Third row:* D. Schueler, D. Giannasio, J. Schueler, S. Buckley, M. Knox, D. Henning, A. Ferencik, E. Oliver, M. Borzilleri. *Fourth row:* L. Camesas, R. Doucette, D. Stuart, Mr. Sonander.

First row: S. Stuart, T. Keane, G. Palkot, S. Rainie, D. Rhodes, T. Appell. *Second row:* V. Freeman, D. Timmons, B. Kirby, B. Bates, A. Krecko, J. Braaten, D. Koelsch. *Third row:* M. Morrow, P. Riggs, L. Latham, R. Hughes, B. Simpson, J. Byrne.

STAGE BAND

Do the sounds of the "Big Band" era or rock music appeal to you? Then lend an ear to any Stage Band performance. You will be in for a unique experience. This small group of dedicated musicians, under the direction of Mr. Chadderdon, meets each week to play music that would not be suitable for a large concert band. Their selections range from Dixieland jazz to rock to modern jazz.

In the spring concert, the entire student body is able to enjoy and appreciate these talented instrumentalists, the hard work they have put in and the satisfaction gained as members of Stage Band.



First row: D. Wallace, W. Fitzpatrick, J. Billmeier, R. Hazel, E. Porth, L. Camesas, J. Weed. *Second row:* J. Hoffman, Mr. Formisano, C. Whitman.

STEERING COMMITTEE

Steering Committee functions as a Student Council standing committee responsible for recommending new legislation and evaluating the effectiveness of the various activity charters. Led by Larry Camesas and sponsored by Mr. Formisano, many prospective clubs and activities have submitted their charters for consideration this year.

First row: K. Duckworth, J. Barr, M. Kilbourn, C. Stuart, C. Mera, E. Douglas, P. Olvany, S. Rainie, J. DeTurk, S. Foster, C. Jenks, V. Guinan, S. Curtis, L. Purinton. *Second row:* B. Horstmeyer, P. Browne, K. Clifford, N. Ross, C. Reinig, G. Nugent, B. Nugent, C. Meyer, L. Garcia, J. Jaeger, P. Dillingham, D. Abbott, K. Foley, J. Busada, N. Alexander. *Third row:* A. Treiber, K. Scott, M. Blanchard, D. McLellan, P. Seale, B. Harris, P. Forshay, D. Senft, J. Braaten, B. Cuddy, B. Simpson, R. Zinke, L. Jones, T. Braseth, J. Powel. *Fourth row:* J. Hoffman, J. Sanzo, J. Muller, K. O'Brien, M. Truhlar, R. Nesi, K. Flanagan, T. Polignani, R. Cook, M. Bernsley, M. Duffy, T. Vaughn, E. Habben.

STUDENT CITIZENSHIP BOARD

Walk into the main office any time of the day and you will see some of the sixty-five members of the Student Citizenship Board busily checking attendance.

Under the leadership of Mr. Lawder, President Shep Rainie, Vice-President Phil Hieter and Secretaries Pat Olvany and Barbara Horstmann, the SCB squad has courageously endeavored to enforce administrative regulations, render assistance at school functions and uphold the standards of behavior of the entire student body.

Despite protests to abolish the SCB squad, other schools are attempting to establish similar organizations modelled after our own Student Citizenship Board. Garden City should be proud to have such an outstanding organization performing such a vital task.

Front: Mr. Tarrou, M. Boyajian, D. Sims, Miss Gonya, C. Meyer, Mr. Orban. *Back:* J. Sanzo.

STUDENT-FACULTY RELATIONS BOARD

The Student-Faculty Relations Board serves as a liaison between two traditionally antagonistic groups—namely, the students and the faculty (which incidentally, is why they are called the Student-Faculty Relations Board). Members are given the opportunity to meet on common ground to discuss problems submitted by the Student Council or faculty. Student representatives are appointed by a Student Council vote.

First row: J. Campbell, G. Bosilkov, B. Gilbert. *Second row:* D. Robinson, B. Kennedy.

STUDENT STORE

One of the hot spots during any lunch period is the Student Store. Here, the student body is given the opportunity to purchase school supplies at minimal cost. Under the sponsorship of Mrs. Schumacher and led by Jim Campbell, the staff provides a valuable service to the entire student body.

First row: J. Pohl, J. Levinson, K. Jones, J. Stenard, S. Wallach, M. Olthuis, P. Munkenbeck. *Second row:* I. Young, E. Lehman, L. Herbst, V. Muller, D. Stuart, V. Tang, J. Enderle, K. Camesas, T. Appell, G. Palkot, D. Rhodes, S. Rainie. *Third row:* D. McLellan, J. Desch, R. Koch, W. Fleri, H. Cole, R. Hazel, K. Buck, C. Busada, M. Eberle, R. Colahan, T. Keane, A. Krecko, J. Braaten, L. Abbott, P. Suda. *Fourth row:* V. Freeman, A. LaGattuta, B. Bates, S. Jounakos, D. Timmons, R. Riggs, J. Byrne, L. Latham, R. Hughes, B. Simpson, D. Koelsch, S. Stuart, J. Anderson, B. Kirby.

STUDIO ORCHESTRA

The Studio Orchestra numbers about forty-five select members of Chamber Strings and Band. It was conceived in the hope of giving its members a chance to play in a group with an orchestration for strings and band instruments. The group is an active extension of the Instrumental Music Department's activities, enabling interested and dedicated students to further their study of music. Additional hours must be given to practice and rehearse during sixth period and after school.

Musical quality is very evident to anyone who has heard this group perform in the Christmas Concert, having the theme, "Peace For All Mankind."

Next year, the group hopes to expand its activities to even higher levels of performance through the institution of the new daily schedule.

Front: J. McAleese. *Left to right:* P. Vanderbilt, J. Hermanson, R. Lynn, D. Keyes, B. Buehler, G. Moore.

TECHNICAL DIRECTORS

The hard-working and dedicated Technical Directors are always on the job, whether it be sending out the daily bulletin, operating sound equipment for dances, concerts and assemblies, or playing music during lunch periods. Interest and the ability to use sound and video equipment are the distinguishing characteristics of members. Under the direction of Mr. Cunningham, the Technical Directors provide an essential service to the entire student body.

TROJANS

This year's newly established Trojan Club has quickly become a large and successful organization. Through the efforts of charter officers, President Mike Hutchison, Vice-President Debbie Abbott, Secretary Kathy Kopf, Treasurer Mary Lou Fuerst, and Sergeant-at-Arms Paul Seale, Trojans has succeeded in generating enthusiasm for sports and school activities. Centering its attention on interscholastic sports, record crowds have been drawn to both home and away football and basketball games.

The first annual Homecoming Dance, held in October, was sponsored by Trojans. Homecoming Queen, Dede Venables and the Homecoming Court were honored both at the dance and during half-time ceremonies at the Homecoming Game. It is hoped that this will become a tradition in the years to come.

Financially, expenditures were covered and a sizeable profit was maintained by the sale of spirit ribbons and team buttons. Other projects included making posters for football and basketball games, assisting other school organizations in their publicity campaigns and selling bus tickets to away games.

The enthusiasm shown by the officers and members is the driving force behind the club's success. With the continued support of the student body and sponsorship of Miss Pantin, Trojans will set distinctive traditions in the promotion of school spirit.

BOY'S ATHLETIC ASSOCIATION

First Row: J. Gallagher, B. Harris, R. Cook, T. Venier. *Second Row:* M. McGovern, R. Malfetano, S. Malfetano, P. Connor. *Floor:* P. Delle.

The Boy's Athletic Association is an organization comprised of representatives from all three grades. Its purpose is to promote sportsmanship and good character throughout the high school. The BAA, led this year by Paul Connor, also sponsors and distributes letters to those boys who participate in varsity sports.

SOCCER

First Row: D. Merrihew, K. Gannon, S. Malfetano, P. Hieter, R. Heyn, M. Benedum. *Second Row:* E. Holmes, S. Kochle, K. Canevari, B. Cuddy, J. Polowchena. *Third Row:* P. DeLong, L. Kind, H. Vila, J. Briller. *Not Pictured:* D. Winningham, S. Tobias, C. Otto.

This year's soccer team combined fine passing and a tough defense to win the North Shore Division II Championship.

In the league opener, GC beat South by a score of 4-2. Sophomore Tom Kevill had two goals with Kevin Canevari and Dick Heyn each adding one.

The second game against Mineola proved to be the most crucial of the season. In overtime, Dick Heyn headed in a corner kick by Phil Hieter and GC won with a score of 1-0.

Garden City also shutout Port 2-0 on goals by Heyn and Hector Vila. This was Sheehy's sixth straight shutout—best of a GC goalie since 1939. In the final game, they clinched the Division title by defeating Plainview 2-1 on goals by Heyn and Doug Merrihew.

This year's defense was led by Brian Cuddy and Jim Polowchena as fullbacks and Harry Sheehy in the goal. Outstanding halfbacks were Craig Otto, Don Merrihew, and Co-Captain Steve Malfetano. The linemen were Kevin Gannon, Dick Heyn, Co-Captain Phil Hieter, Doug Merrihew and Kevin Canevari.

At the end of the season, Harry Sheehy was selected to the All-Division Team and Dick Heyn was a member of the All-County Second Team.

With a record of 1-7 last year, the outlook for the 1969 football season appeared grim. However, after a 6-2 season, even the most dour skeptics had a change of attitude. We had a tough, aggressive team who fought every game until the final play.

The season opened with an easy 24-0 romp over Manhasset. Bill Daly threw three touchdown passes to Rod Rullman. The 14-6 setback to Bethpage could be attributed to Paul Connor's absence.

The Mineola game proved to be the upset of the year . . . for Mineola. The Trojans broke a 19 game winning streak by defeating the Mustangs. Paul Connor and Tom Raskopf repeatedly pummeled the line until Raskopf accumulated 168 yards and Connor gained 109. The final score read Garden City 26, Mineola 12. This confrontation was followed by an easy 22-3 win over Plainview on our home field. Connor tallied three touchdowns, all on long runs.

Port proved to be tougher than Garden City and handed the Trojans their second and final loss with a score of 30-18. The team then swept through Great Neck North, Kennedy, and Great Neck South in three successive victories.

Several factors contributed to the success of the team. The fine offensive line was anchored by Captain Pete Talty. Their blocking continually broke runners loose for long gains. The defense was outstanding, allowing only 74 points in eight games. Led by Bill Harris and Brian Falk, GC's defense always presented an obstacle to the opposing offense.

Fine performances were turned in by Pete Talty, All-North Shore, Tom Raskopf, All-Division, Paul Connor, All-Division and John Cervini, All-Division.

FOOTBALL RECORD

Manhasset	24-0
Bethpage	6-14
Mineola	26-12
Plainview	22-3
Port Washington	18-30
Great Neck North	26-7

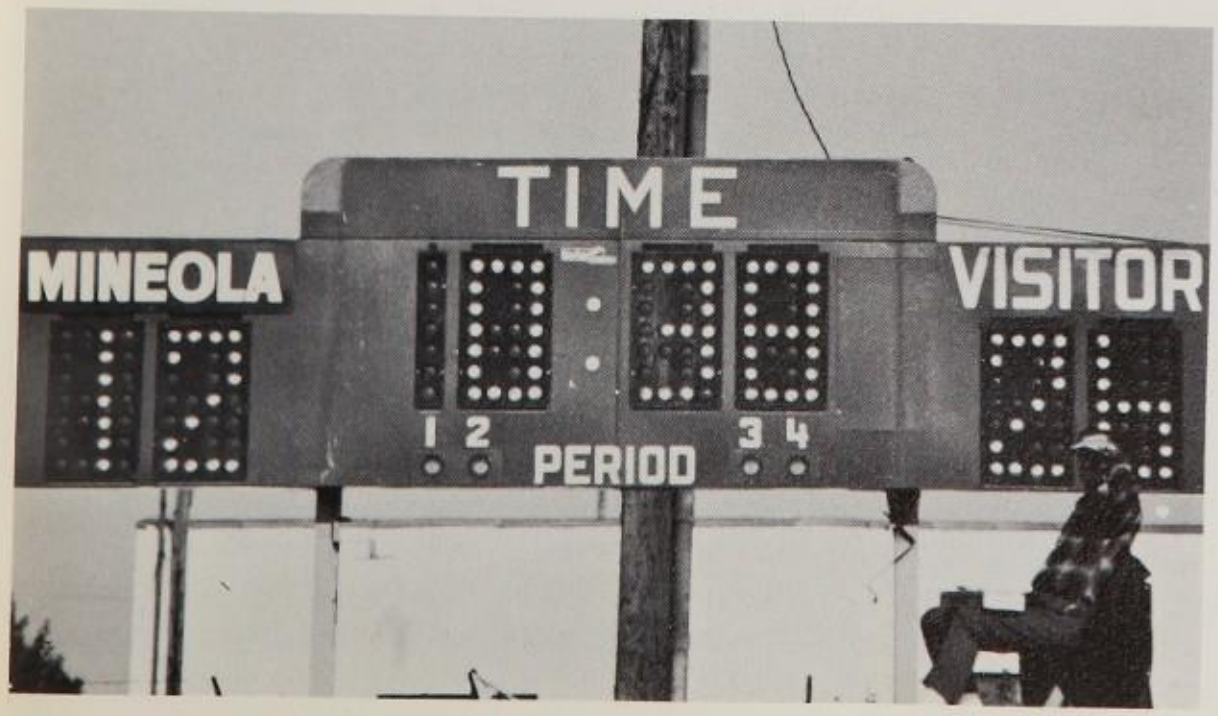
Great Neck South	14-8



CROSS-COUNTRY

First Row: C. Busada, C. Hillejan, E. Fagan, M. Landsman, T. Kelley, D. Mitchell. *Second Row:* J. O'Toole, B. Norman, D. Wallace, M. Truhlar, K. Thomitz, T. Brosnan. *Third Row:* R. Delahunt, G. Boyajian, W. Fitzpatrick, E. Gibbons, J. Christfield, S. Jounakos.

This year's cross-country team enjoyed mixed success in its endeavors, but showed needed spirit and improvement. Under the leadership of Captain Ed Fagan and Co-Captain Mark Landsman, the runners worked very hard in the early weeks of practice. Junior Tom Kelley emerged as the top man on the squad with Ed Fagan, Mark Landsman, Pete Fagan, Dean Mitchell and sophomore Charles Busada all making substantial contributions.

Garden City defeated a tough Great Neck South team for a winning start. The next two meets resulted in victory also. Unfortunately, the team hit a slump as GC faced Port Washington and Bethpage in important meets. However, the team came back with renewed spirits and trounced Mineola with GC men placing in the top five positions.

The team went to the North Shore and County Championships. George Boyajian, Tom Brosnan, Mark Gillen, Mark Truhlar and Drew Dietrich performed well throughout the season. Busada and Phil Klop show fine potential for the future. The season record of 4-3 is a portent of good news after the last several losing seasons. Coach Bruni hopes that the maturing team, led by Kelley, will have a more successful season next year.

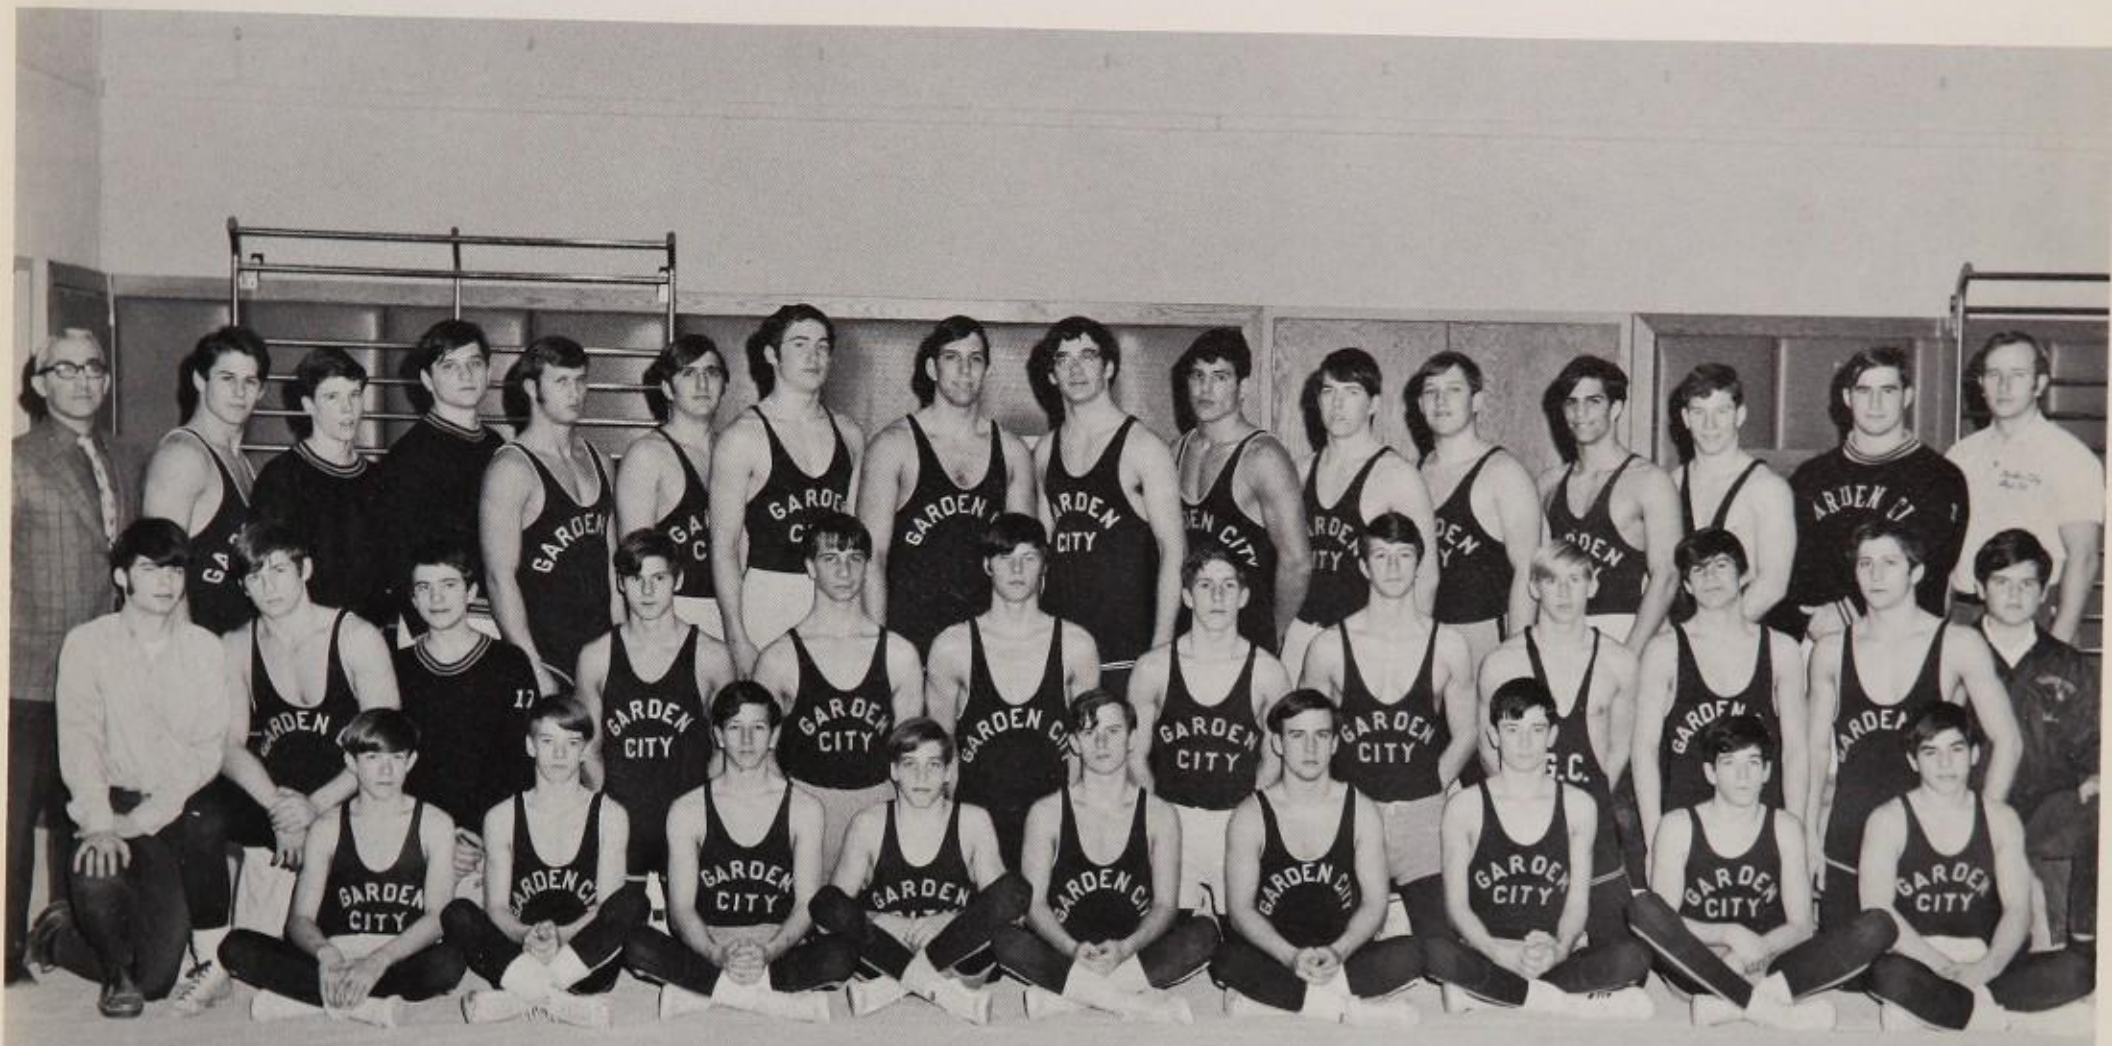
TENNIS

First Row: P. Forshay, A. Scourby, C. Nason, M. Kucharski, R. Koch. *Second Row:* Coach Julio Silvestri, B. Buschmann, H. Oellrich, J. Klop, Manager E. Habben, M. Rudansky.

Following the 1968 record of 4-8, the 1969 tennis team had a similar record of 4-8. However, this does not reflect the efforts the Garden City players put in during the season. Captain Dan Keyes led the netmen through all their matches.

This has been basically a constructive year for the tennis team—a year of acquiring skill through experience. Coach Julio Silvestri hopes that this season will provide many sound players for the future.

WRESTLING



First row: T. Stair, R. Cornwell, R. Cohn, D. Fenty, D. Merrihew, D. Merrihew, E. Gibbons, J. Jordan, P. Tackach. *Second row:* D. Ryan, manager, D. Smith, T. Shemella, W. Fleri, C. Murray, S. Kochle, T. Smith, M. McGovern, D. Foxen, S. Malfetano, C. Ernst, manager. *Third row:* Mr. Decker, coach, T. Patterson, K. Culkin, H. Vila, G. Bosilkov, B. Carpou, K. O'Brien, P. McLaughlin, R. McGuire, J. Cervini R. Digan, J. McLaughlin, R. Franciotti, J. Sullivan, P. Talty, Mr. Dougherty, coach.

This year, Garden City completed the best season in it's thirty-four year history. The grapplers finished with a 12-1 record and an undefeated 6-0 league record. Garden City also won the first North Shore Division II Wrestling Tournament ever to be held.

The most exciting match of the year was the first league encounter with Bethpage. Both the Trojans and the Golden Eagles continually fought for the lead until John Cervini's decision in the 187 lb. class assured a G.C. victory. Heavyweight Pete Talty added to the glory by pinning an old rival in 3:16. By defeating Bethpage, Garden City put itself in first place and safely remained there for the conclusion of the season. Mr. Decker's wrestlers continually doubled and tripled the scores of their opponents and suffered only one loss, a hard fought battle against Herricks High School.

The coming of the Division Wrestling Tournament saw many outstanding Garden City wrestlers. These included Rick Cornwell, Mike McGovern, Craig Murray, Dan Smith, Ted Shemella, Randy Nicosia, and Pete McLaughlin. Sophomore Trey Patterson scored three pins in the Division Tournament and went on to place third in the North Shore. Doug Merrihew, also a sophomore, finished with a 12-1 record and a first place in the Division Tournament.

G.C.'s top wrestler was team captain Dave Foxen who, besides completing an undefeated season, placed second in the North Shore Tournament and Fourth in the Section VIII Tournament.

At the conclusion of the season, the team chose Rick.Cornwell and Craig Murray as captains for the '70-'71 season. Next year's team should prove just as successful because several underclassmen will be returning from the Varsity squad. In addition, the J.V. team, coached by Mr. Dougherty, completed their season with a 12-1 record.

The Garden City cagers had a disappointing and heart-breaking season this year. Finishing with a poor 6-12 record, the Varsity Basketball team failed to make the playoffs.

Garden City began the season with an encouraging 62-52 victory over Valley Stream South and this trend continued throughout the non-league season, as Floral Park, Manhasset, and New Hyde Park were defeated. However, the team hit a bad slump during the league schedule and never managed to recover.

Harry Sheehy as guard finished the season as high scorer for the Trojans. He played well all season despite many frustrating setbacks. Center Mike Rix and forwards Gerry Lauro and Dave Jennings held the front line while Vinnie Biggane and sophomore John Judge, who was brought up from the J.V. team, split the other guard post. Ed Youngkin and Bill Kelly also played well in reserve. High rebounder was Gerry Lauro with Mike Rix second high scorer and rebounder.

Next year, the team will feature John Judge, Rob Wall, Ralph Malin and Pete DeLong as they strive to improve Garden City's poor '69-'70 season.

GYMNASTICS

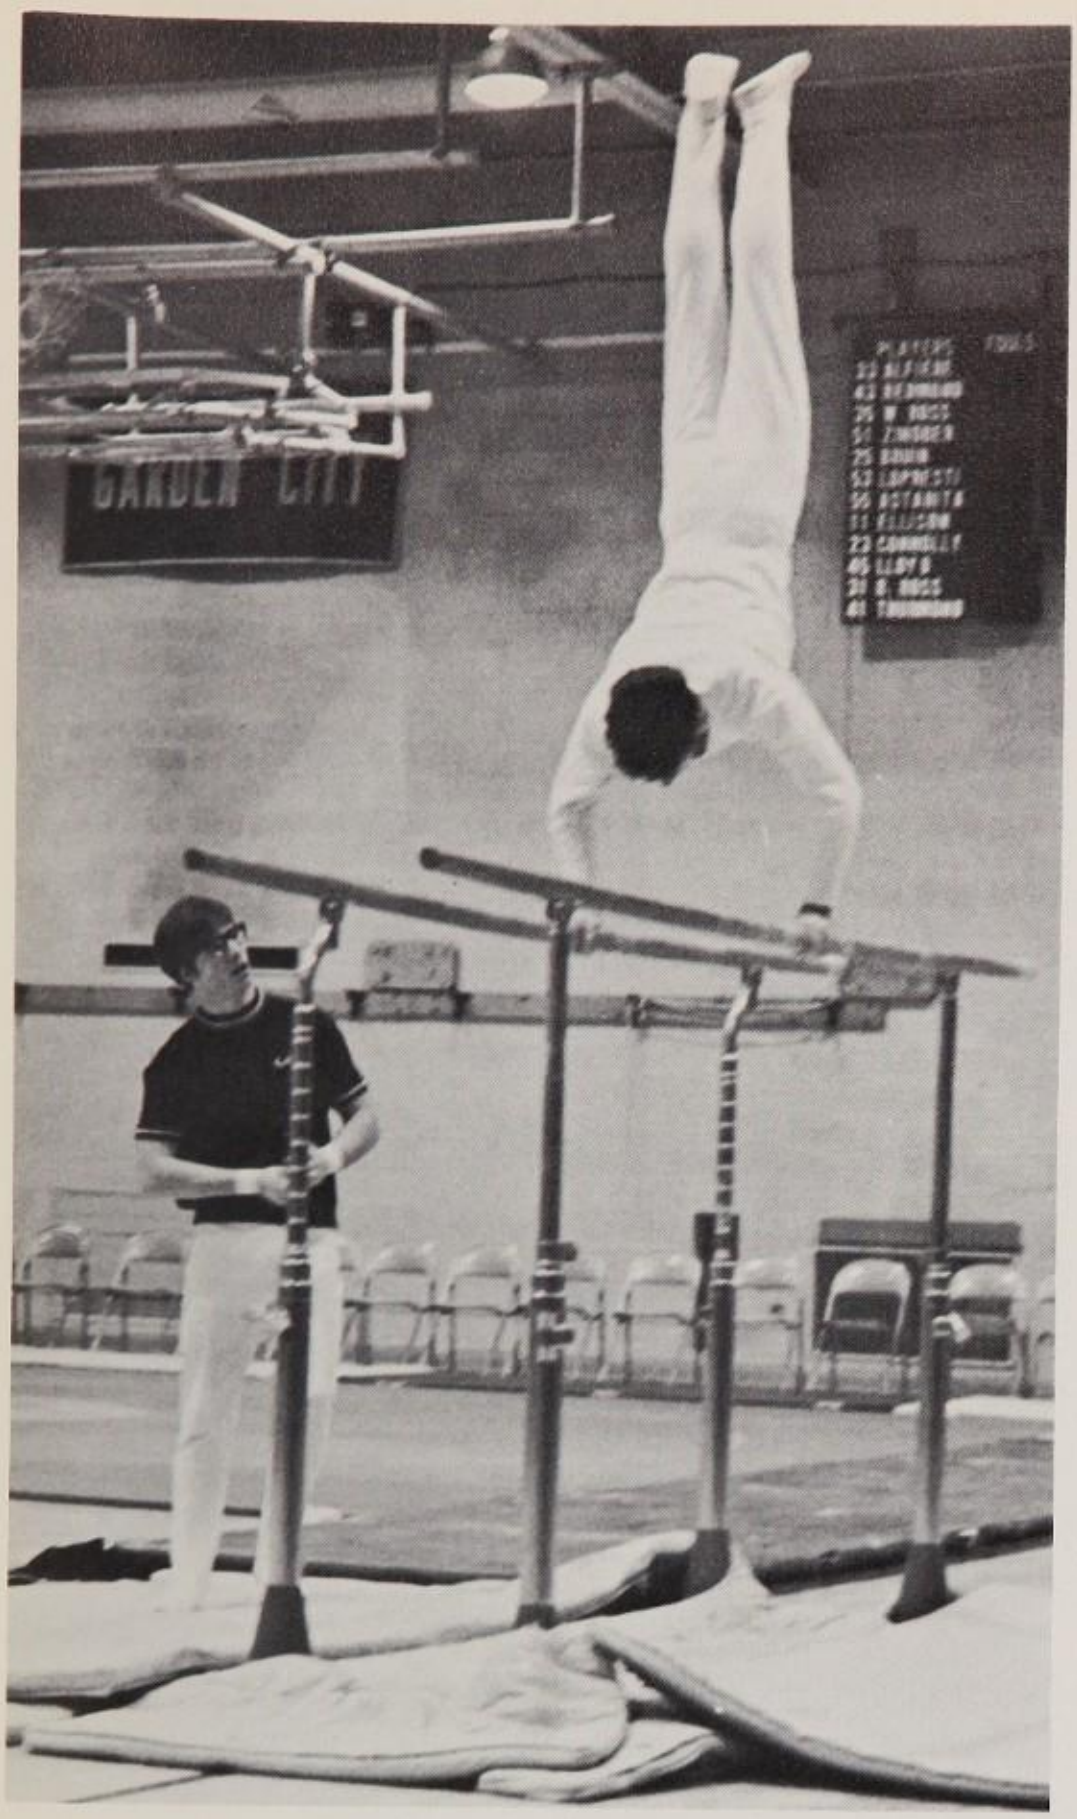
First row: A. Peters, S. Brancato, L. Rosano, P. Forshay, J. Garnett, B. Brady. *Second row:* P. Wong, J. Duggan, G. Murray, T. Procelli, R. Lithen. *Third row:* S. Tessier, M. Corcacas, D. Kroessler, R. Meurer, D. Condelli, D. Salzman, R. Kameras, D. Kroessler.

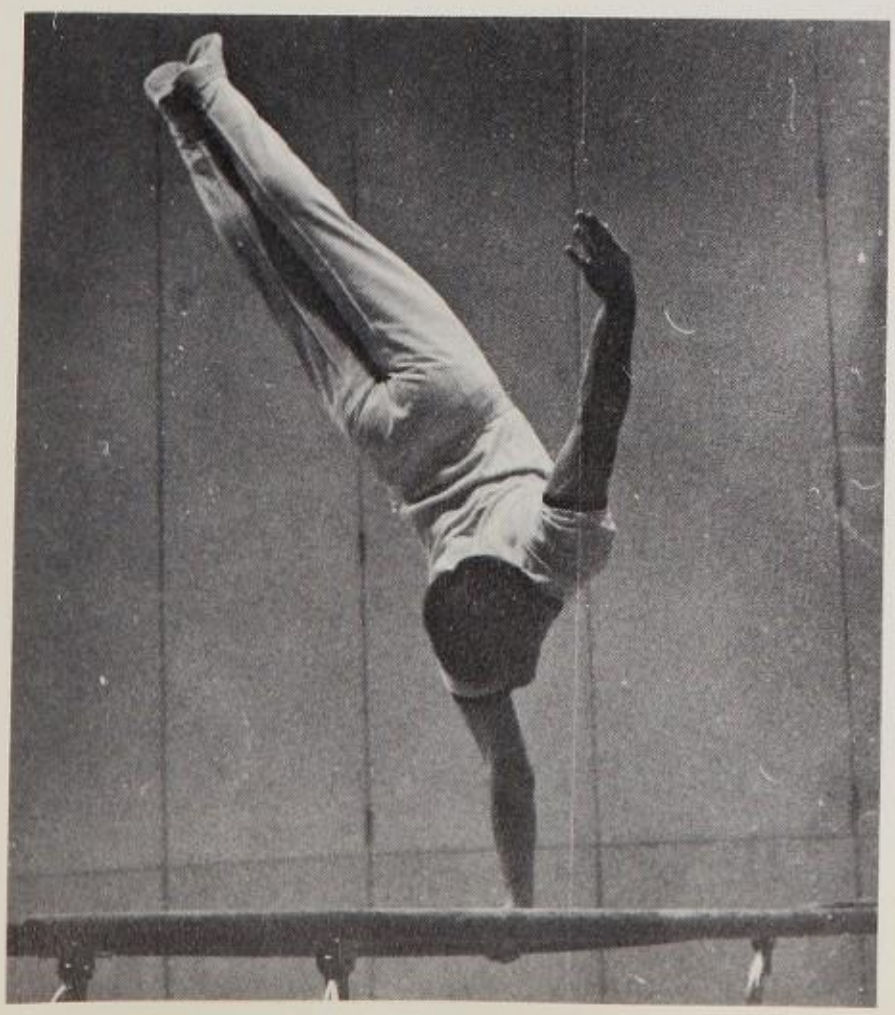
This year the gymnastic team, a relatively new interscholastic sport at Garden City, showed tremendous improvement over last year and became a threat to win any match. Jim Garnett and Stefan Cukierski were co-captains.

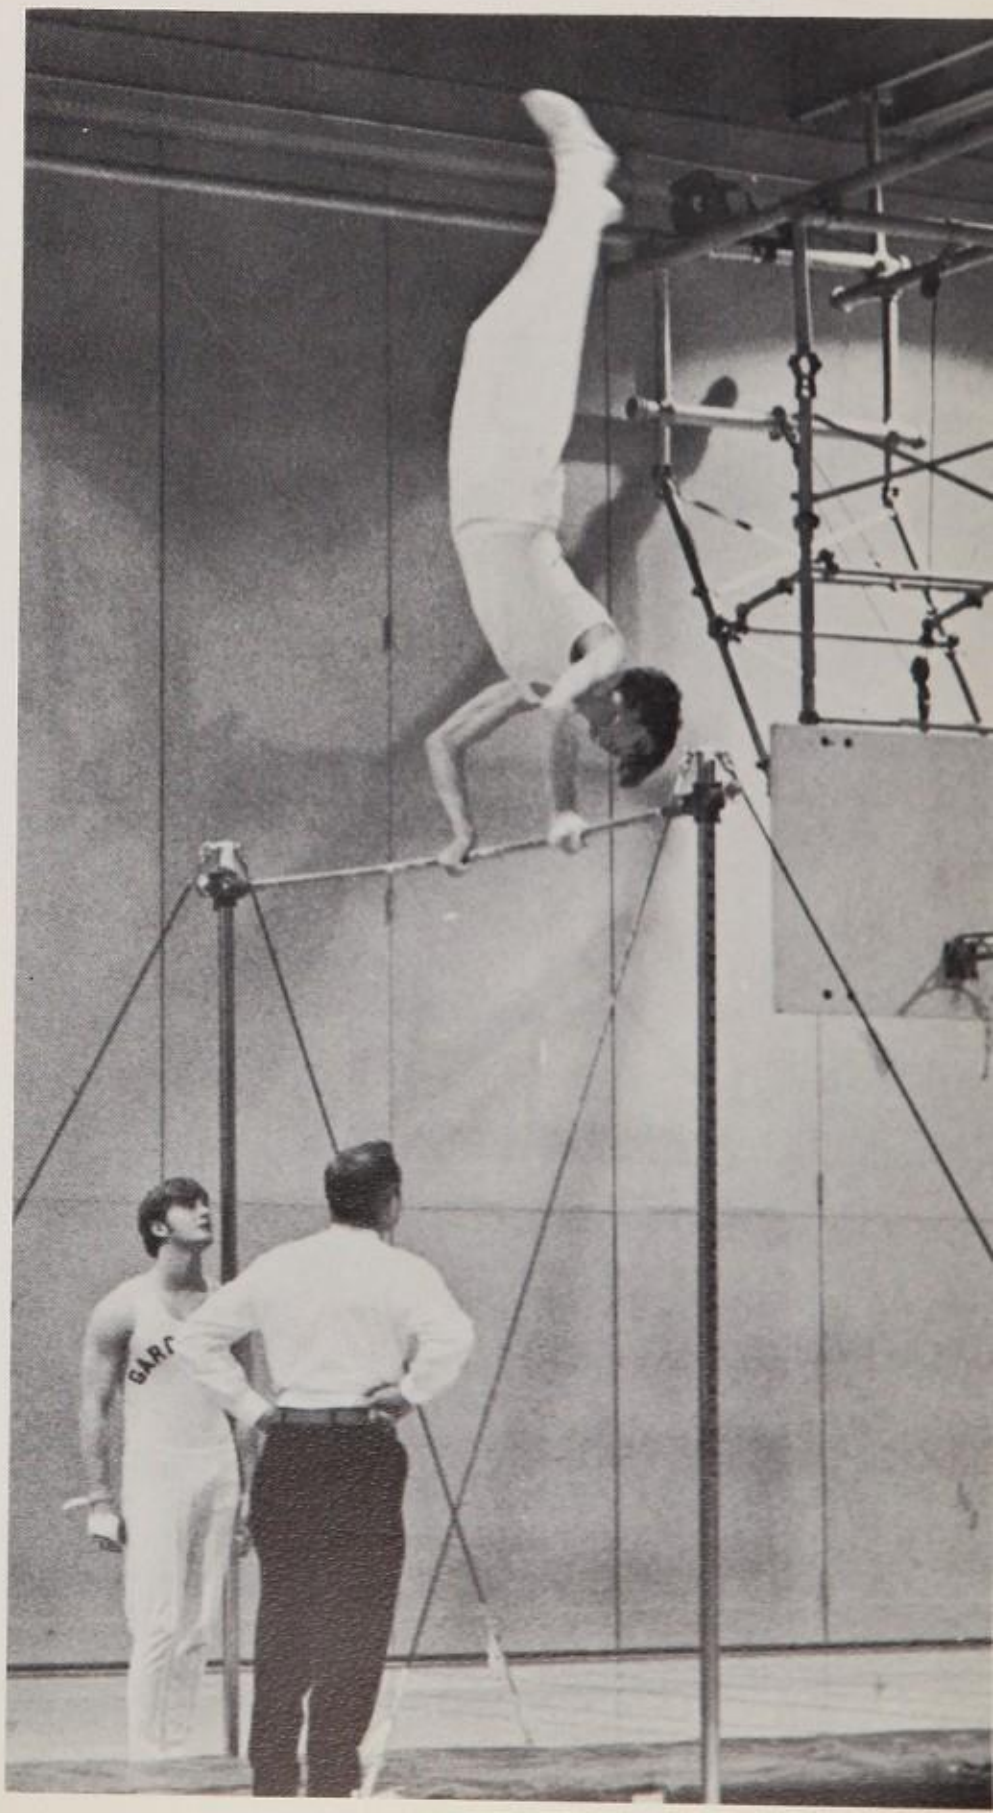
The team had many fine showings throughout the season. The gymnasts incorporated basic and intermediate skills into competitive routines of increasing difficulty. They tested these skills in meets with Herricks, Mineola and various North Shore high schools.

Jim Garnett on parallel bars and long horse, Pete Forshay on parallels, Stef Cukierski on rings, Jim Duggan and Dana Condelli on floor exercise, and Bill Brady on rope climb sparked the season.

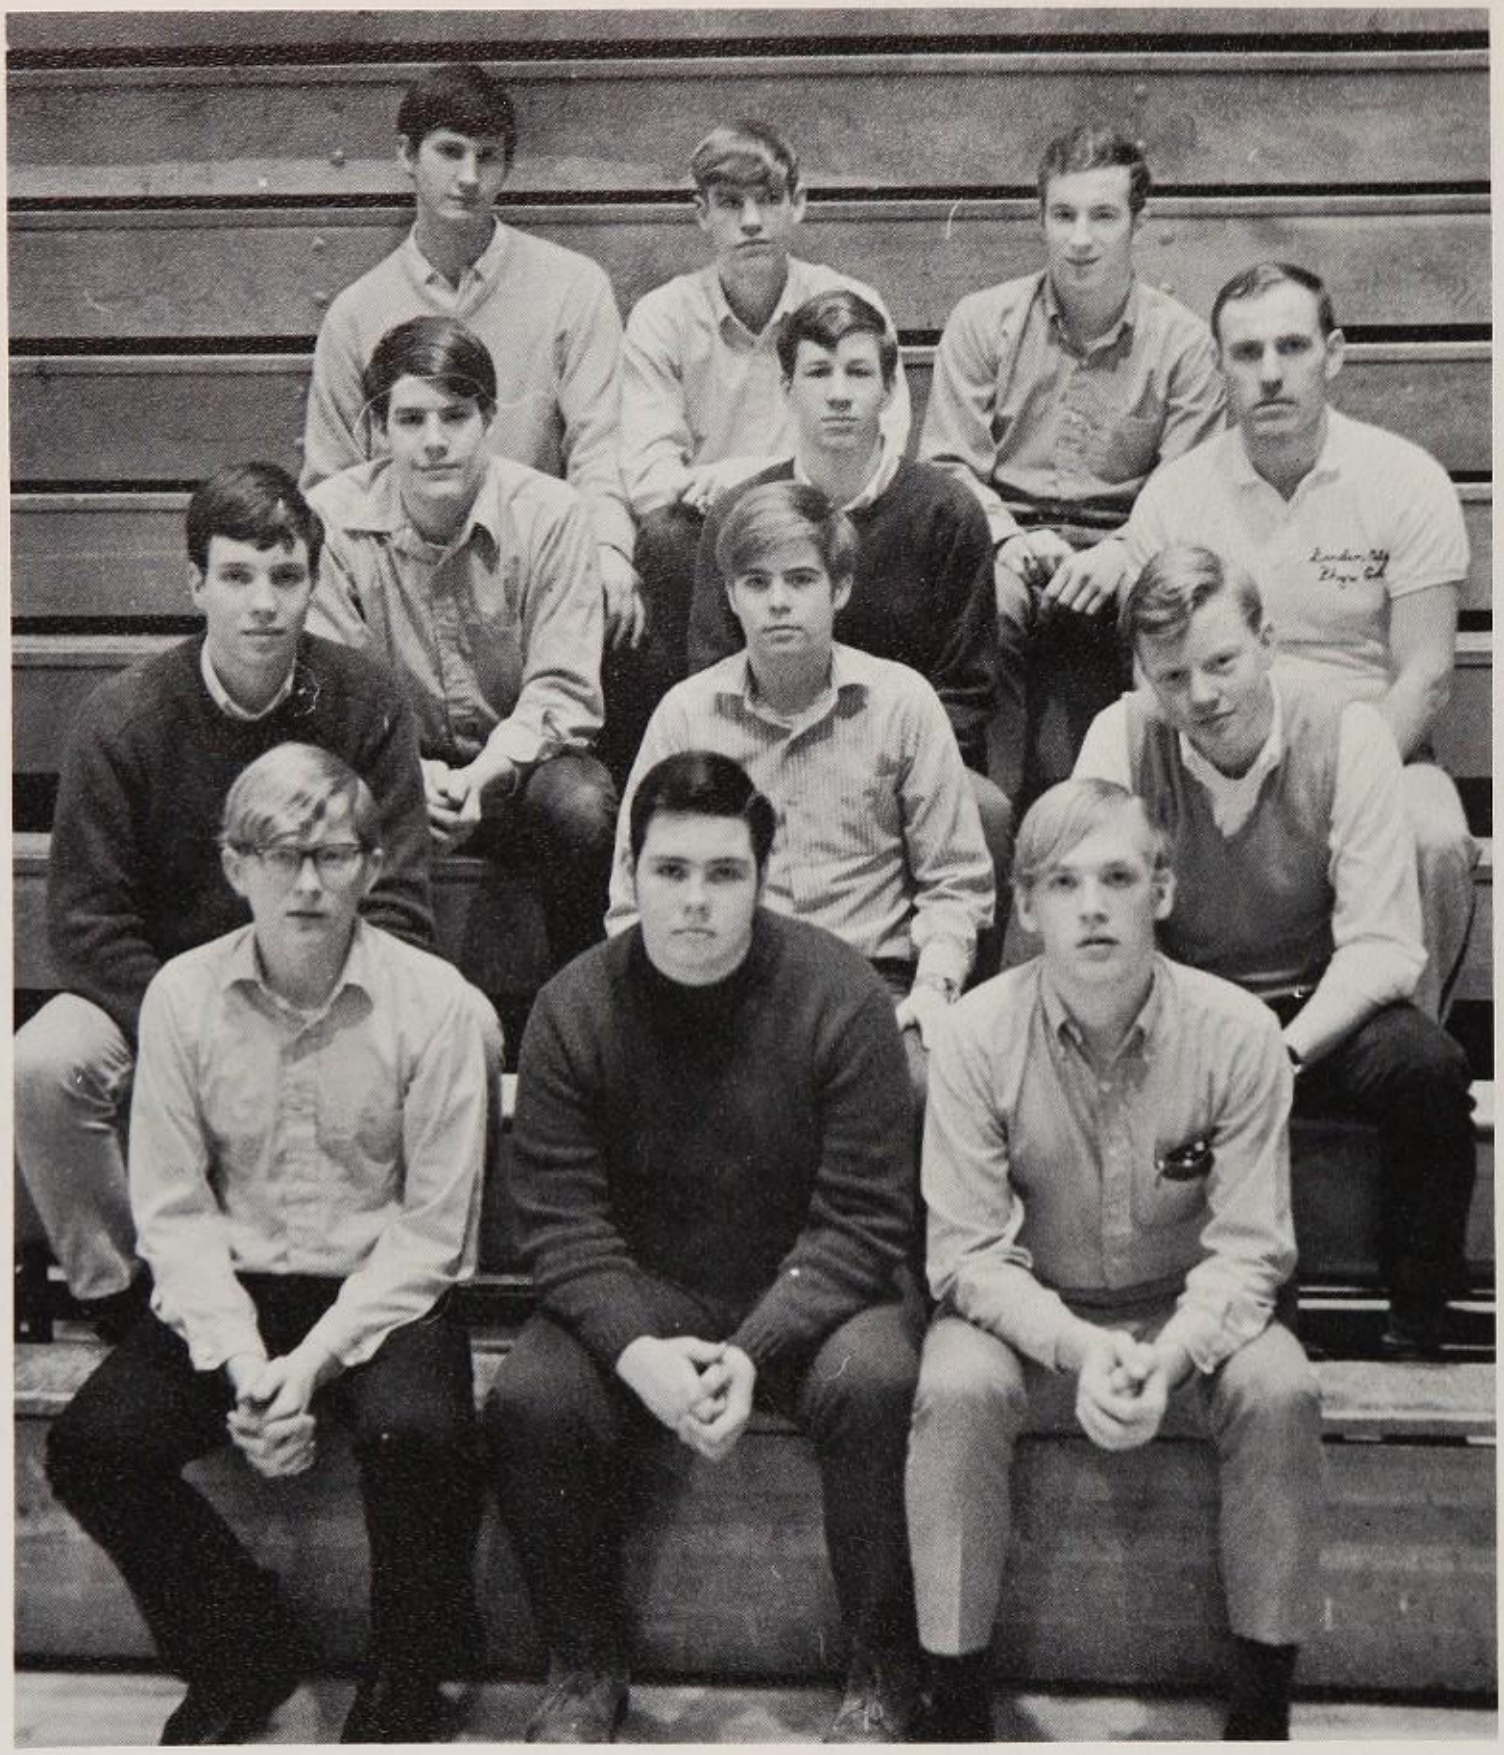
Next year, Pat Wong, Tony Procelli and Jeff Kroessler will add strength to the team. Coach Ed Muller hopes that the '70-'71 season will develop into a strong team.







BOWLING



First row: R. Gardner, E. Holmes. *Second row:* S. Yanuszka, D. Roy, R. Lynn. *Third row:* A. Krecko, R. Donlan, C. Schauf. *Fourth row:* D. Senft, H. Oellrich, J. Nickoloff.

The Garden City bowling team enjoyed mixed success this season. After a poor start, the team finished strongly and ended up with a 14½-21½ record.

Two of the team's best matches included a 2-1 victory over Mineola and a 3-0 trouncing of Bethpage. Dexter Senft and Ferd Neurohr led the team with Dexter having the high game of the season—230.

Coach Fred Briller was optimistic about the outcome and has hopes that returning lettermen Ray Lynn, Bob Dolan, and Gene Holmes can lead the team to a winning record next year.

RIFLERY

Kneeling: B. Barnes, J. Kelly, J. Burke. *Standing:* R. Lim, C. Forster, P. Johnson, B. Tattersall, R. Tedesco. Mr. Cunningham,

1970 was a year of building for the Garden City Rifle team. However, the predominantly Junior team showed great enthusiasm throughout this setback season. G.C. defeated Jericho in the second round of the season. This was the only victory for the riflemen this year. The overall record of 1-11 did not reflect the many close matches which found Garden City on the short end. The 1970 team was spearheaded by Senior Captain Page Johnson. His 180.9 average won him a berth on the North Shore All-Scholastic Rifle Team. Nevertheless, Coach Cunningham is confident that Juniors Bob Thurber, Jerry Kelly, Jim Burke, and Bruce Barnes along with Sophomore Craig Forster will provide an excellent season in 1971.

INDOOR TRACK

First row: P. Thompson, G. Boyajian, G. Clausen, J. Christfield, P. Seale, B. Parks, K. Buck, C. Busada. *Second row:* C. Whitman, M. Gillen, J. Zehnder, J. Harris, P. Connor, T. Brosnan J. Mulroney, C. Seiferth, R. Murphy, P. Smythe, R. Keane. *Third row:* J. White, coach, C. Keane, C. Hillejan, K. Braaten, P. Davis, B. Delahunt, J. Campbell, B. Harris, E. Fagan, J. Sanzo, P. Fagan, J. O'Toole, D. Mitchell, B. O'Neill, M. Landsman, T. Kelley, Mr. King, coach.

Moved to a weaker division this year, the indoor track team won the title easily. Most of the opponents were embarrassed by the overwhelming scores. Westbury, supposedly the other "class" team in the division, was defeated 57-20 and another rival team was trounced 76-1.

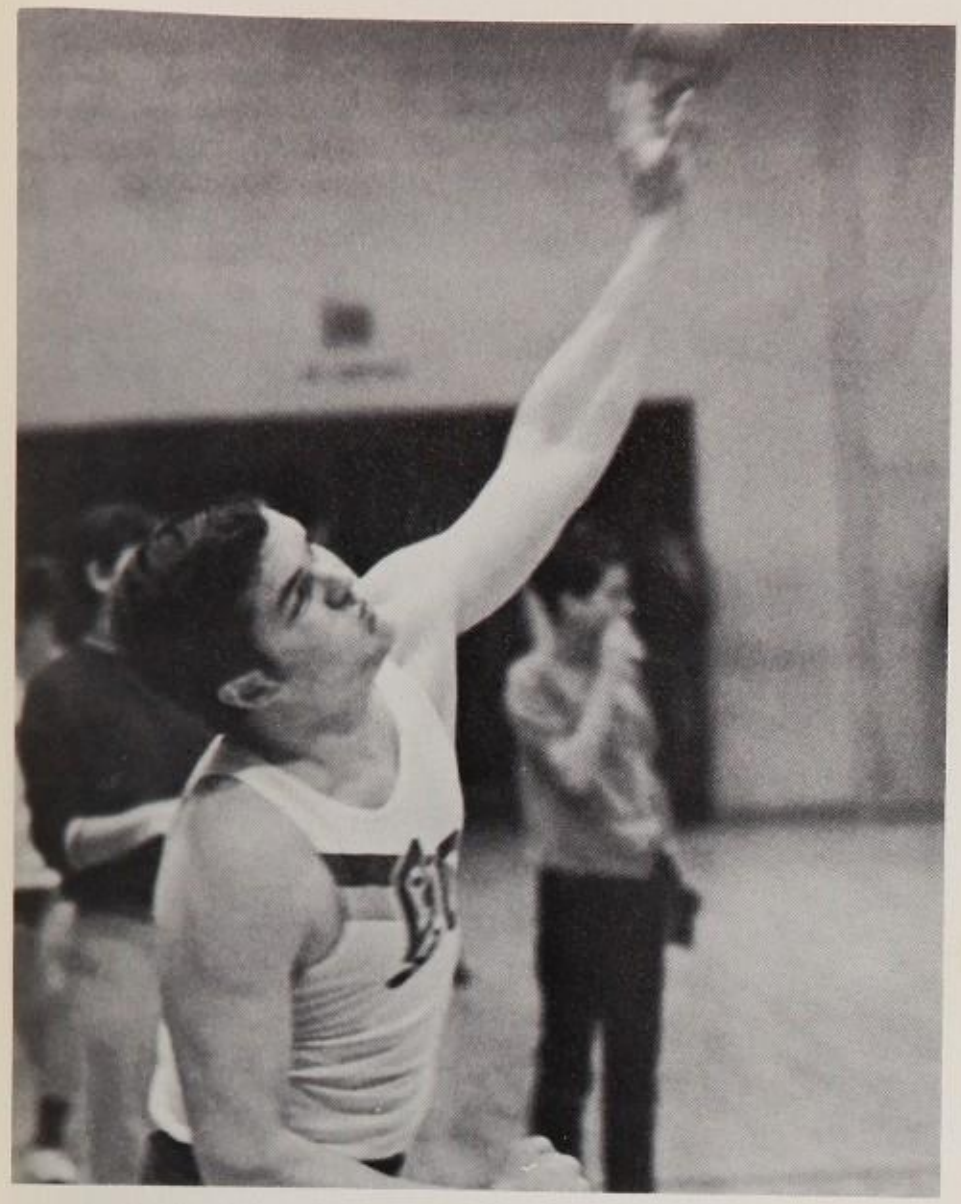
On the small (100 yd.) gym floor tracks, the 17½ lap mile run is the only real distance event. This year, junior Tom Kelley and senior Mark Landsman dominated the mile for Garden City, with under or around five minutes even.

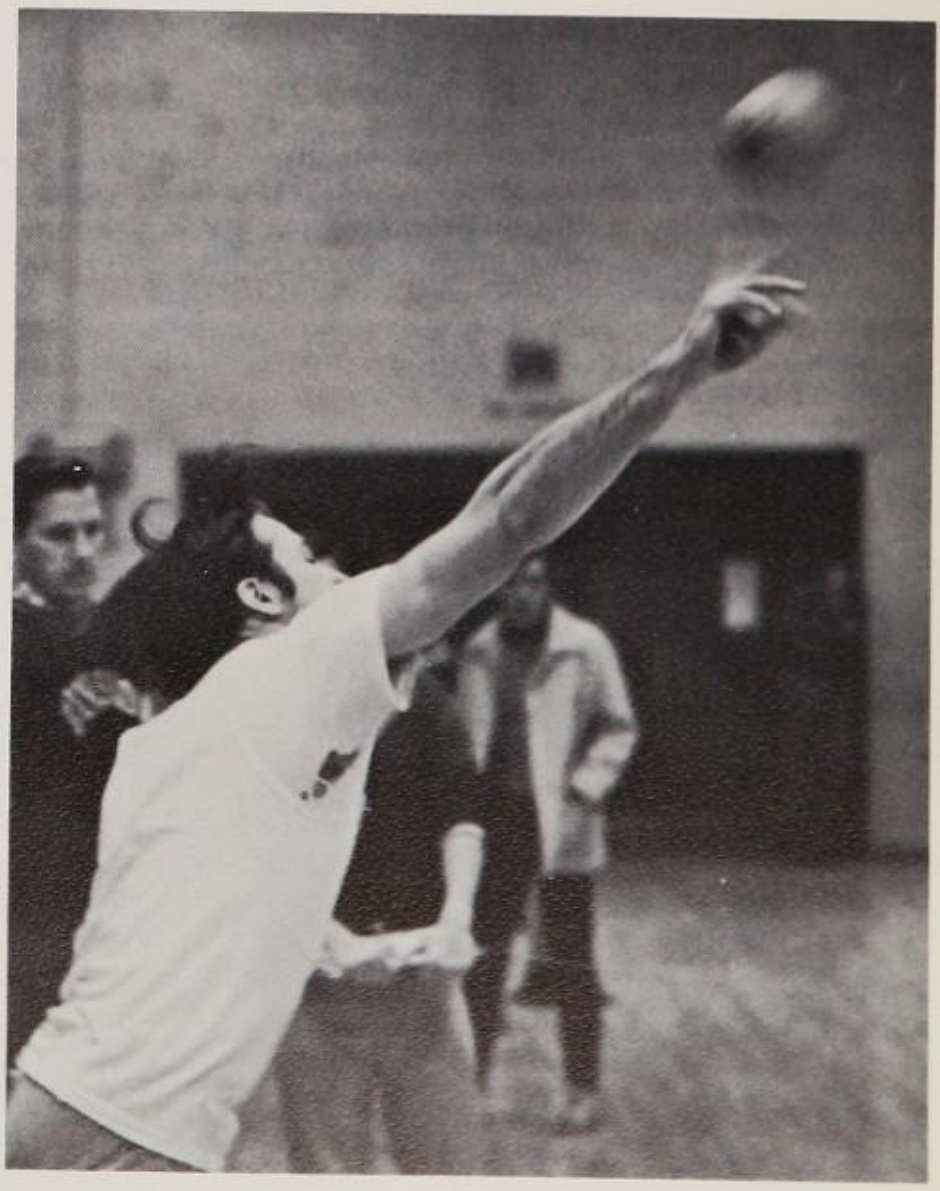
The 1000 and 600 yard runs are exclusively indoor events. In the 1000, captain Ed Fagan and soph Chuck Busada dominated the run against most teams. In the 600, the indoor glamor event, Dean Mitchell set a school record with a hard-fought victory against Herricks. Paul Smythe also had a fine record in the race, as did junior Tom Brosnan.

The shot put team, led by record-setter Bill Harris, seniors Brian Falk and Jim Campbell and Junior Paul Seale, consistently out-threw the best any other team had to offer. In the hurdles, John Harris, a junior, and Bruce Macklin, a senior, usually were the top finishers in the 40, 50, or 60 yd. high hurdles.

In the 60 and 300 yd. dashes, seniors Paul Connor, Chris and Rich Keane and sophomore Bob Zehnder won important points for the team. In the mile relay, the final event of any meet, the team of George Boyajian, Pete Fagan, John O'Toole and Jerry Sanzo posted a successful slate. In the high jump, a played-down event, Pete Thompson competed for the Trojans.

Bad fortune and psychological let-downs prevented G.C. from amassing many points in the North Shore and County championship meets. Our second place two-mile relay team in the North Shore was disqualified, and the rest of the meet seemed to hit a discouraging slump. However, coaches King and White felt that the indoor season was very successful and hope that future teams can make as fine a showing.





LACROSSE

First row: D. Lomedico, P. Delle, R. Vaile, J. Cervini, J. Gallagher, K. McCabe, J. Sullivan, J. Scully, P. Talty. *Second row:* B. Draffen, T. Kavazanjian, J. Duffy, S. Driscoll, A. Murphy, S. Cenkner, B. Mahin, R. Rullman. *Third row:* T. Nolan, T. Venier, R. Cook, M. Benedum, J. Mackley, C. Murray, K. Flanagan, B. O'Sullivan, Coach Silvestri.

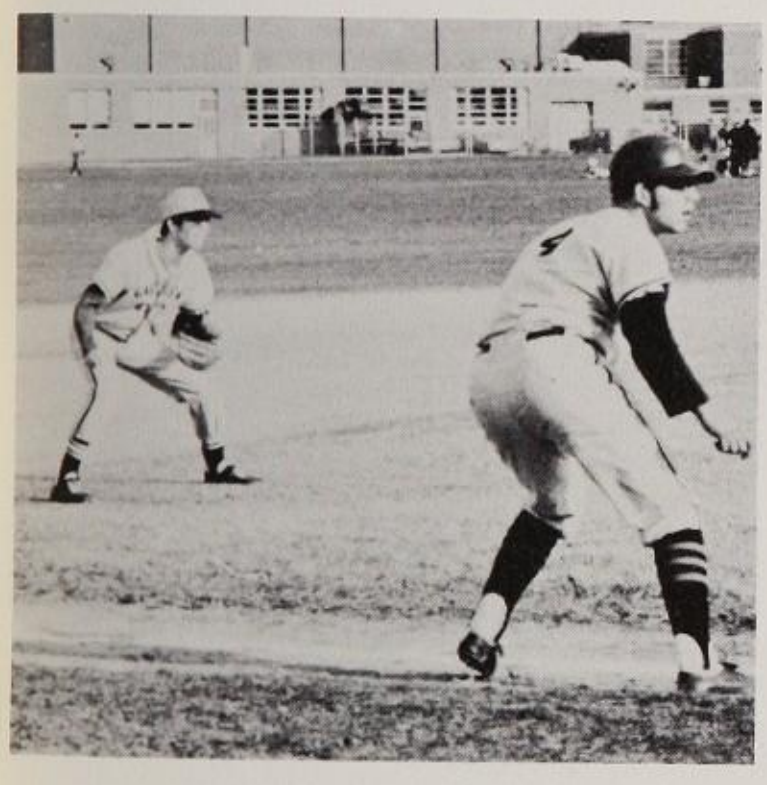
This year, Coach Silvestri has again built a lacrosse powerhouse, similar to the team that won the Long Island Championship in 1966. If these words seem strong, it is because G.C. has the talent to back them up.

Almost all of last year's starters return, including Junior goalie Rod Rullman who received honorable mention in league play, and Tom Nolan, an All-Division player in his sophomore year. Captain Kevin McCabe leads a tough midfield, flanked by John Duffy, Bill Draffen and Paul Delle. The close attack is bolstered by Nolan who is helped out by Steve Cenkner and Tom Venier. On defense, Jay Gallagher and Pete Talty look strong.

The G.C. Lacrosse team, picked at the Lacrosse Coaches Meeting to win the Island championship, certainly hopes for a good year and perhaps even a championship.

BASEBALL

First row: R. Roy, R. O'Brien, B. Daly, C. Otto, M. Kucharski, B. Prinzi, H. Oellrich. *Second row:* D. Jennings, J. Nickoloff, J. Catania, J. Holmes, D. Falkner, J. Judd. *Third row:* Manager J. Foran, K. Davey, M. Corigan, B. Douglas, R. Malin, T. Patterson, Coach Riffle.



The 1970 Baseball team is one of the dark-horse hopes of the spring season. Baseball, perennially a loser in Garden City, finished last year with a surprising 10-10 record.

The team boasts a strong nucleus returning from that squad. Bill Daly and Bill Douglas, both three year men, look strong on the mound. Backing them up will be senior Bob Prinzi and Junior Bill Thater. Rich O'Brien, Joel Catania and Rob Roy will add experience to the field as well as good hitting. Sophomores Trey Patterson and Ralph Malin look promising as well. Indeed, this team hopes to improve on that 10-10 record and possibly make the playoffs.

GOLF

Left to right: Mr. Biviano, R. Lynn, D. Guida, B. Thater, J. Desch, B. Brady, S. Greiner, J. Kasold.

The varsity golf team is looking forward to a season which will be a considerable improvement over last year's disappointing mark.

Coach Biviano is relying on the experienced shots of Bill Thater, Jack Desch, Ray Lynn and Bill Brady to provide him with winning scores.

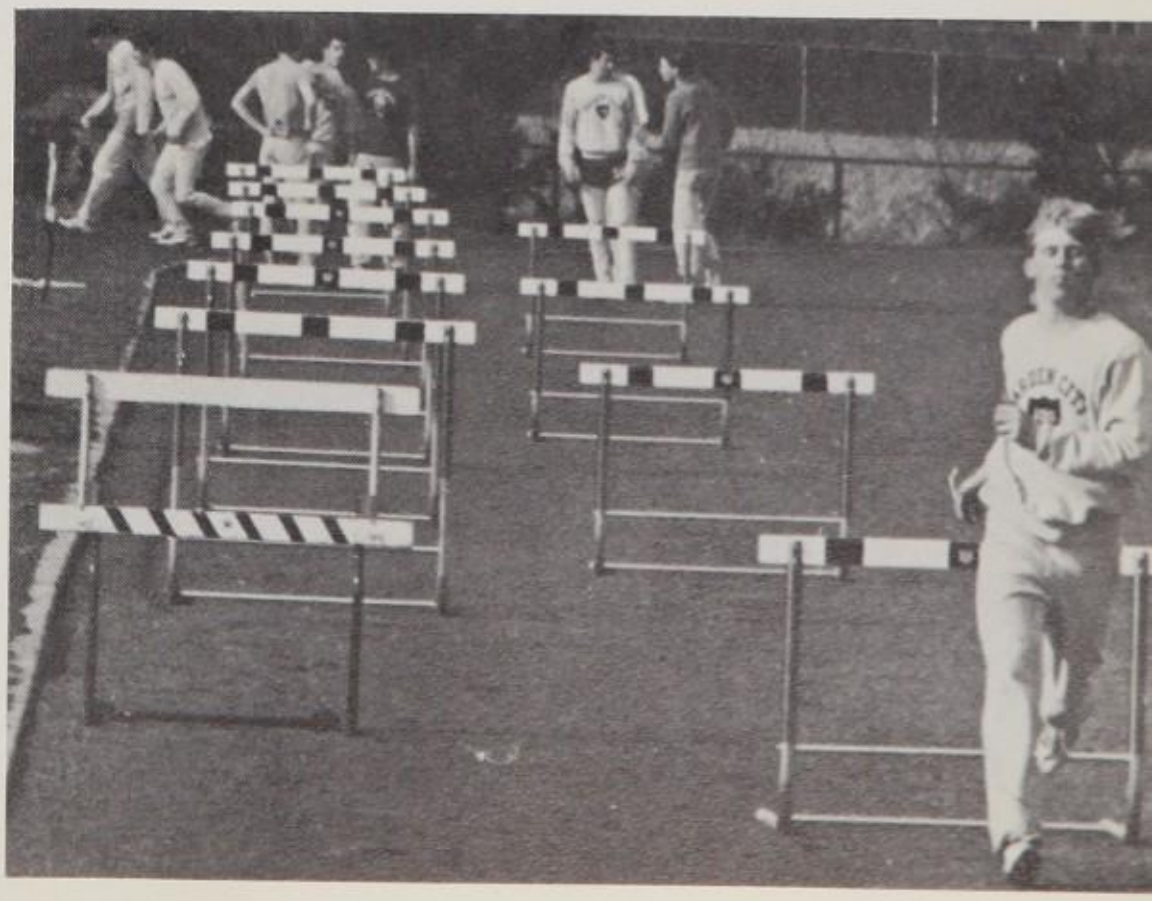
In golf, team strength is vital, as the match is played between the two sixth men, which counts as much as the top match. Depth is where Garden City runs into problems. However, with a little luck and the team desire to win, there is no reason the golf team should not do well at Cherry Valley this year.

SPRING TRACK

First row: P. Thompson, M. McGovern, R. Peters, B. McGovern, C. Keane, A. Buchanan, P. Connor, B. Falk, K. White, B. Harris, T. Paillard, T. Kelley, P. Fagan, P. Smythe. *Second row:* B. Macklin, D. Schaus, J. McLaughlin, M. Gelman, B. Parks, T. Mulroney, D. Murphy, T. Brosnan, J. Harris, B. Zehnder, B. O'Neill. *Third row:* B. Whittier, J. Meyer, G. Boyajian, R. Emslie, D. Wallace, D. Dittrich, J. Christfield, K. Braaten, J. Donohue, J. Mulroney, D. Trepashko. *Fourth row:* G. Stigliano, T. Barnes, K. Tomitz, D. Smith, J. Syage, P. Karb, D. Mitchell, J. Mavricos, W. Fitzpatrick. *Fifth row:* Coach Overton, Coach White, Coach King, Coach Wojnar, B. Whiting, C. Buasda, T. Smith, K. Darr, L. Richburg, K. O'Brien.

The G.C. Track team, winners in 1968 and 1969, again hope to take the Division II crown. This year's team, again the Indoor Track champs, looks strong in just about every sport. In high hurdles, John Harris and Bruce Macklin did well indoors, and are looked to for repeat performances. In the low hurdles, Macklin, Harris and Mike and Bill McGovern look good. Paul Connor leads a good sprint club, including Rich and Chris Keane, the McGoverns and Roy Peters. In the middle and long distances, Ed Fagan, Tom Brosnan, Peter O'Toole, Mark Landsman and top miler Tom Kelley look good.

G.C. is strong in the field events, too. Bill Harris and Jim Campbell handle shot put, while Brian Falk hurls the discus. Rich Williams and Dexter Senft reign in the broad jump, while Pete Thompson dominates high jump and Dan Smith pole vault. The Trojan team should again take the league championship in 1970.



GIRL'S ATHLETIC ASSOCIATION

Top: Kathy Foley, President. *Middle:* Adele Treiber, Vice-President; Jan DeTurk, Secretary. *Bottom:* Priscilla Munkenbeck, Treasurer; Debbie Abbott, Social Chairman.

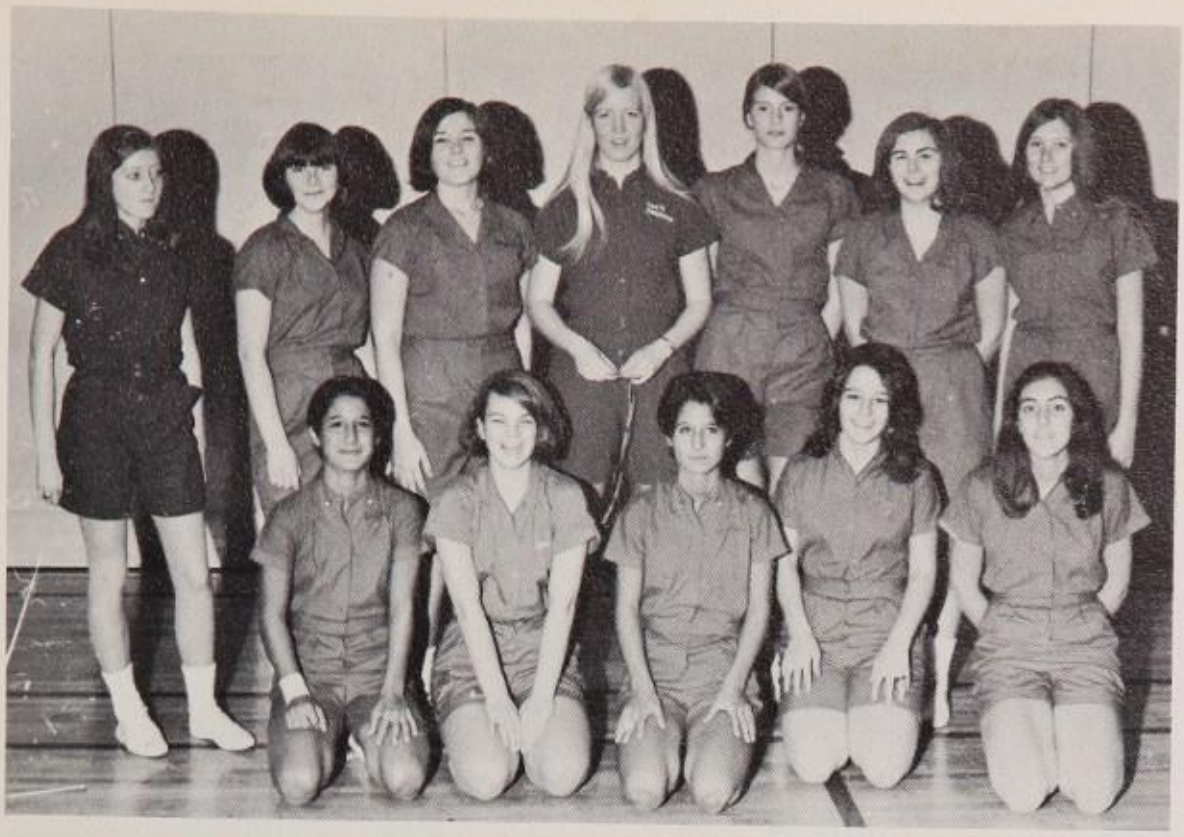
The purpose of the GAA is to promote interest in the Girl's Physical Education program. The five officers and seven delegates from each grade comprised this year's executive board. This year, the GAA conducted the intramural program with each officer in charge one day a week. For the first time, the GAA contributed to the Gymnastic Demonstration. It is hoped that the next show will be completely run by the GAA. The annual tea in June was also sponsored by the Girl's Athletic Association.

First Row: C. Behrer, C. Lauro, C. Stuart, B. Nugent, P. Small, S. Meaney. *Second Row:* M. DiMaria, B. Hortsmann, J. Jackson, M. Garry, P. Eggers, G. Nugent, J. Fries. *Third Row:* M. Molter, J. McCauley, J. Barr, D. Connelly, T. Braseth, J. Madigan.

LEADER'S CLUB

First Row: C. Johnson, J. Weed, J. Hebrank, C. Stuart, C. Meyer, T. Braseth. *Second Row:* P. Munkenbeck, B. Nugent, N. Doscher, V. Nugent, L. Anderson, J. Madigan, D. Abbott. *Third Row:* B. Small, A. Treiber, L. Earing, J. Mendes, D. Connelly. *Fourth Row:* J. Barr, K. Foley, D. Fitzgerald, B. Horstmann. *Not Pictured:* J. Jackson, E. Monaco.

The Leader's Club, under the direction of Miss Stefek, has grown from an almost nonexistent organization to a selective club of approximately thirty members. The officers this year are President Kathy Foley, Vice President Joni Jackson, and Secretary Barbara Horstmann. Leaders serve the Girl's Physical Education Department by officiating team sports after school and assisting in gym classes. A camping trip to Lake Placid and a mother-daughter bowling party highlighted the year.



First Row: B. LaGattuta, J. Enderle, A. LaGattuta, P. Brennan, S. Fitzgerald. *Second Row:* D. Frost, D. Brandin, C. Reinig, S. Davidson, K. Jones, P. Confort, L. Herrlin.

BADMINTON

Under the fine coaching of Miss Seibert, a new member of the faculty, Garden City's badminton team had its first match against a strong Baldwin team. GC won two singles and two doubles matches. Their last match against Carey High School ended in defeat with a close score of 178-163. The outstanding players this year were Bonita and Ann LaGattuta, Carolyn Reinig, Mary Dick, Karen Jones and Sue Davidson. Next year should prove to be a more successful season since the nucleus of the team is made up of sophomores.

HOCKEY

Under the direction of Mrs. Goepfert, the hockey team put in long hours of practice on the hockey field. Despite the team's potential, the record was disappointing. Carle Place, Wheatley and St. Mary's outscored the team and Great Neck South tied Garden City. The forward line included Sue LeBars, Tina Braseth, Patty Eggers, Joni Jackson, Janet McCauley, Debbie Abbott and Captain Cathy Stuart. The defense players included the "Big Three" halfbacks—Beryl Barmore, Betty Horstmeyer and Janet Madigan, backed up by fullbacks—Barbara Desch, DeeDee Connelly and Pam Vaile. Kathy Foley and Joanne Barr were the goalies.

First Row: C. Stuart. *Second Row:* D. Abbott, T. Braseth. *Third Row:* P. Eggers, S. LeBars. *Fourth Row:* B. Desch, B. Barmore. *Fifth Row:* J. Madigan, J. Jackson, K. Foley, D. Connelly, B. Horstmeyer, J. McCauley.

First Row: J. Fries, J. Mendes, A. Treiber, M. Earley. *Second Row:* C. Borge, J. Kramer, P. Munkenbeck, J. Barr, M. Primrose. *Third Row:* J. DeTurk, P. Birmingham, D. Lundbourg, M. Fedyn, L. Earing, M. Garry.

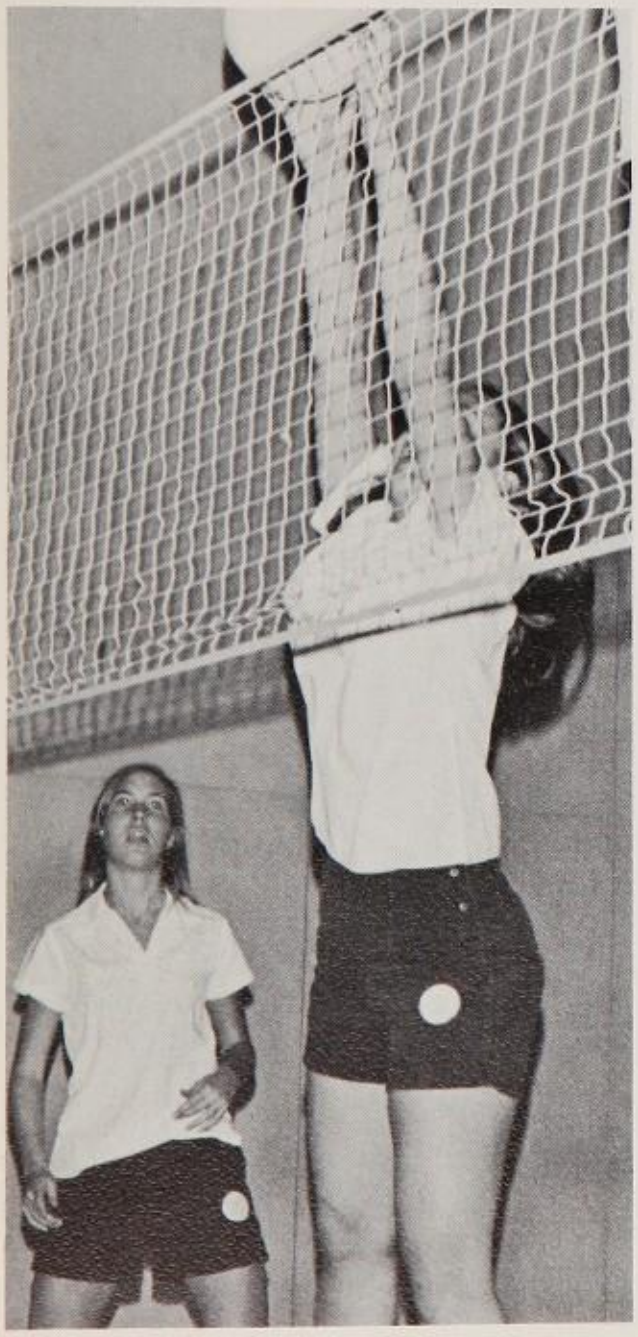
First Row: B. Horstmann. *Second Row:* J. Madigan, B. Horstmeyer, A. Treiber. *Third Row:* J. Barr, J. Jackson, M. Rossetti. *Not Pictured:* K. Scott.

First Row: B. Barmore. *Second Row:* M. Fedyn, C. Stuart. *Third Row:* S. Davidson, J. Fries. *Not Pictured:* D. Venables, D. Connelly, S. Peck.

VOLLEYBALL

The girl's volleyball teams, under the coaching of Miss Stefek, enjoyed a successful season this year. Barbara Horstmann was the captain of the Varsity team, and Beryl Barmore was the Junior Varsity captain. The Varsity team lost by only a few points to Great Neck South and Levittown but were victorious over Mineola, New Hyde Park and Elmont.

The Junior Varsity team almost had an undefeated season with only one loss out of five games. Besides the Varsity and Junior Varsity, class teams were also formed. The prospects for next year look good and the teams should have an excellent season.



VARSITY—*First row:* G. Nugent, K. Foley, A. Treiber. *Second row:* G. Venables, D. Fitzgerald, H. Litton, M. Rossetti.

JV—*First row:* M. Fedyn, M. Beagan, B. Nugent, P. Ingrassia, M. Baumann. *Second row:* M. Primrose, C. Reinig, J. Madigan, D. Connelly, B. Ahern.

The girls' basketball team, under the direction of a new and talented coach, Miss Marilyn Siebert, was permitted this year an unlimited number of dribbles, a step towards the abandoning of girls' rules altogether. What else did they want? They wanted an undefeated season, and with the spirit of the varsity team, they won all four games against St. Mary's, Herricks, Mineola, and Great Neck North. The top scorers were Joni Jackson, Heather Litton, Marilyn Rossetti and DeDe Venables. "Don't worry—you can do it" was the GC cry, especially when guards Kathy Foley and Adele Treiber attempted their foul shots. The JV team also played well, winning two of the four games.

BASKETBALL

VARSITY CHEERLEADERS

First row: T. Braseth, C. Stuart, E. Monaco, J. Jaeger. *Second row:* J. Mendes, S. Foster, B. Barmore, P. Eggers. *Third row:* B. Horstmeyer, J. Madigan, G. Boszilkov, K. Scott, A. Treiber.

JR. VARSITY CHEERLEADERS

First row: J. DeTurk, C. Sullivan, M. DiMaria. *Second row:* S. Weiss, C. Johnson, D. Nicosia. *Third row:* M. Earley, J. Fries, D. Lundbourg, M. Molter.

GYMNASTICS

What's the Girls' Gymnastic Demonstration? Well, it was the highlight of the Girls' Physical Education Program and only the second gymnastic show ever seen in the high school. This year the demonstration was held on April 24th and once again was sponsored by the Girls' Athletic Association. Student managers planned and organized each of the fourteen events. The managers began formulating routines and ideas in December, and the thirteen weeks of actual practice began in January. The girls performed on the balance beam, horse, springboard, and the uneven parallel bars. The girls also exhibited their abilities in musical exercise, tumbling, free exercise, a stick dance, a hoop dance, two folk dances, a jump rope routine and on the trampoline. The show was a big success; it turned out to be one of the greatest shows on earth!

CLASS OF 1971

Junior year—we remember it as a mixture of anticipation, frustration, newly-found confidence and awakening. The apprehension of sophomore year is past and plans for the future begin to materialize and come into perspective.

As a junior, you discover that it is a year of additional responsibility and hard work. In September, your class plunged into the many and varied activities and sports. December 5 found you on "The Islands" as the honored guests of your parents at your class party. Following Christmas vacation, thirteen representatives from the Class of 1971 were chosen to participate in the Experiment in International Living as Community Ambassadors.

Between source themes and other numerous academic assignments, stuffed animals were collected and distributed to underprivileged children in a true humanitarian spirit. The drive proved successful through the efforts of Secretary, Wendy Hoeffler and your combined efforts. The Junior Dance, held this year on January 30, was centered around the theme, "Peace on Earth." A huge peace symbol, made entirely of paper flowers, was the focal point of the evening. The entire student body was invited to attend and dance to the music of "Hot Soup." For many, March 7 brought you face to face with those all-important SAT's. Thoughts become college oriented as you encounter those preliminary conferences and interviews.

The Junior Prom, the most important social event of the year, is an enjoyable but difficult undertaking. Social Chairman, Ellen Macfarlane, is responsible for every aspect of the Prom, traditionally given in honor of the senior class by the juniors. However, satisfaction with a job well done is an assured guarantee.

And so, to the "Class of '71", as you look forward to your senior year, we, the "Class of '70," wish you the very best of luck in all your future endeavors.

CLASS OF 1972

Sophomores—as Seniors, we can look back on those gay, naive days and smile. Self-assured and confident in Jr. High because you are the "upperclassmen", your dream world is shattered come September and your first day in the Sr. High.

By that time, though, you have undoubtedly heard all the fictitious reports of unsociable upperclassmen, unfair teachers, and deliberately unintelligible rules and regulations. Despite the official greeting in the lobby proclaiming, "Welcome Sophomores", you don't feel the least bit welcome. Halls, a mass of confusion, seem to be a maze of never-ending passages. You're positive your next class has been scheduled in a non-existent room.

However, this dire state of affairs does not last for long. After the first week, you know which teachers don't check attendance and you manage to come up with the most imaginative excuses to get out of gym.

Sophomore Orientation Assembly was held on September 10. You were told what was expected of you and what the next three years held in store. During the Magazine Drive, your class sold the most subscriptions which contributed to your class treasury. You become involved with a myriad of sports, clubs and committees and performed remarkably well. Then came those two grueling days of SCAT and STEP exams. How can you ever forget?

Chaos existed at the Student Store as you cut classes to get those long-awaited CLASS RINGS! Cries of "Turn mine, turn mine" could be heard in every classroom and corridor until each ring was turned 72 times. You are a part of G.C. tradition.

You finished the year perhaps a little more individually developed and better prepared to face the challenges of two more years of G.C. life. We, the "Class of '70", extend to you, the "Class of '72", our very best wishes for continued success.

Miss Pantin—102

MAST 1970

MAST STAFF—*Left to right:* G. Lauro, R. Schnappauf, J. Hermanson, K. Scott, C. Stuart, M. L. Fuerst, J. Mazzari, S. MacIntosh, R. Zinke, D. Clapp, C. Jenks, B. Cuddy, V. Guinan, L. Abbott, E. Dieringer, M. Massaglia, A. Emmenegger, S. LeBars.

As final deadlines approach, the *Mast* staff finds it difficult to look on this past year objectively. Through faded memories of last fall with unreturned proofs and senior write-ups, of hours spent on Garden City sidewalks selling advertising, of the fated January day set aside for Activity pictures, of approaching every obstacle with courage and tenacity, we anxiously await the publication of the 1970 *Mast.*

The *Mast* task, which began with the election of editors last spring, has turned out to be a "never-say-die" experience. The staff has succeeded in forging on toward completion under any adverse condition (specifically, deadlines). With a little help from foresight, imagination, dedication and our friends, *Mast* 1970 is destined to be the best ever.

And how could it have ended otherwise? Guided by the patience and organization of Mary Lou Fuerst and the optimistic humor of Jerry Mazzari, and the talented hand of Sue LeBars, the job of putting out a yearbook has turned out to be more fun than chore. The many other editors and staff members have all produced while working against all odds and under every pressure. Weary and battle-scarred, we have submitted the final copy and the last picture. We, the staff, will now hold our breath with Mr. Chiavoli, our sponsor, awaiting final results.

"In the swift rush of great events, we find ourselves groping to know the full sense and meaning of the times in which we live. In our quest of understanding, we beseech God's guidance. We summon all knowledge of the past and we scan all signs of the future. We bring all our wit and will to meet the question: how far have we come in man's long pilgrimage from darkness to light? Are we nearing the light—a day of freedom and of peace for all mankind . . . ?"
